Sock It to Us!

In the spirit of the season, we ask that the members of your team contribute socks!! -All to be distributed to various charities and local shelters.

So why not make a concerted effort to have each member of your team bring at least one pair of new socks as part of your registration fee to the North Catholic Tournament on Saturday December 12.

We will tally the numbers of socks donated during the tournament, and the team that contributes the most socks per person competing will win a small acknowledgement of their generosity.

Remember: we want to leave every place we visit a bit better than when we arrived.
