## Individual Awards and Sweepstakes

Individual awards will be presented to ALL finalists in each category. In addition, Speaker Awards will be given in Debate. Novice awards will be presented to the top finishing first-year speaker in each event (other than Novice Extemporaneous Speaking, Novice Reading and Multiple). Remember to update your novice speakers on your tabroom.com team roster!

Sweepstakes awards will be calculated using a "Lucky 13" formula. Individual scores for the top ten entries in ten different events will be added together with the next top three entries in any event(s). A reverse scale point system will be used:

<b>RANK</b>	<b>SWEEPSTAKES POINTS</b>
1	5
2	4
3	3
4, 5, 6 or lower	1

Sweepstakes awards will be presented to the top twelve teams using this **Lucky 13 formula**. In addition, a special 13<sup>th</sup> team award will be presented. The 13<sup>th</sup> award is the Kitty Viscardi Memorial Novice Award. Kitty Viscardi was the long time coach at Shrewsbury and for many years we were lucky to have Kitty personally present the award. This is a revolving plaque and will be presented to the team with the highest total of sweepstakes points earned by all novice competitors at this year's tournament when added to the total of the novice speakers' sweepstakes points earned by that team at all previous **Mardi Gras Speech Carnivales**. Once a team has won the award that team's points revert to zero. Three presentations must pass before a team can win the award again although points continue to be earned. Points can add up quickly over a few years!

## VOTE FOR THE KING AND QUEEN OF THIS YEAR'S MARDI GRAS

This popular tradition continues. Purchase a Ballot for only 25 cents! The winning King & Queen will be crowned at the awards ceremony as last year's Mardi Gras royalty relinquish the throne.

## MARDI GRAS MERCHANDISE

In order to make the Awards Ceremony even more festive and exciting, Mardi Gras hats, masks, etc. will be sold throughout the day at very reasonable prices.

Show your Big Easy Spirit! At the Awards Ceremony, the "Spirit of Mardi Gras" will choose a team for this year's "Spirit" recognition.

## Team Improv (NOTE: Unlike other tournaments, this is a two-person event)

This category is for a pair (2) of contestants from the same team. The team will draw at random 2 characters and 2 scenes. After only momentary preparation time, the pair begins a presentation in which each contestant portrays one of the 2 characters drawn. The characters must begin together in one scene and progress creatively from that scene into the second scene. The maximum time for completing the improv is five minutes. The improvisation should be humorous and entertaining. The team is judged on their ability to create and maintain their characters, as well as their interaction and creativity in bringing the characters from one scene into the next.

*For example, Mary and Joe are a team. Mary draws the character of a pregnant woman. Joe draws the character of a priest. They draw the first scene - an elevator and the second scene - a deserted island. Mary and Joe begin. The pregnant woman and the priest are in an elevator which happens to be in an airport. They discover they are on the same flight to Bermuda. The plane goes down somewhere in the Atlantic Ocean and they eventually make their way to a deserted island.*

Maximum Time: 5 minutes (30 seconds grace - no minimum time requirement)

## Lyrical Poetry (reading event)

The contestant presents a prepared program derived from the lyrics of one or more songs. The program may be arranged from one group/musician or as a theme presentation from various artists. Singing is NOT allowed.

Maximum Time: 6 minutes (30 seconds grace - no minimum time requirement)

## Programmed Oral Interpretation (POI) (reading event)

This event will follow NSDA rules which can be found at [www.speechanddebate.org](http://www.speechanddebate.org).
