Comments & Reason for Decision:

- In response to aff plan, neg did not answer nor address many cards directly.

- Aff plan was a good solution with ~~some~~ sound reasons.

Winner: Harker Dixit and Bahri debating on the AFF Low point win? _____
School/Team Side (Aff or Neg)

Comments & Reason for Decision:

AFF won because they had better evidence and also they seem to understand the what they are talking about. Jai was the most prepared and literally helps out Mihir when he needs help. Although Mihir, znc threw ideas and did not have enough evidence to back it up, they did really well for CX answering all of the questions with full confidence.

They had potential to win but was stamped in CX and could not answer any questions. Had some strong points that mass surveillance is a bad thing but AFF used the Boston Bombing, and said that even the USF could not fetch them due to the overload of data. Close debate but AFF won due to Jai.
