Content S E G NI
 Does the material presented enrich the audience? Is it meaningful, relevant, and consistent with the purpose of this forensic event?
speaker brought up a lot of statistics/evid. but I felt like they were a stretch to connect to her points.

{ watch out for facts vs opinions }

No, democrats won't take majority

Organization S E G NI
 Is the presentation is easy to understand and follow? Has the presenter carefully planned a logical progression of the material?
somewhat out of order for me. The points don't flow too well.

Good Idea, but they don't make it happen.

Vocal Delivery S E G NI
 Does the presenter use their voice(s) to achieve clarity, promote understanding, and heighten interest?
kinda monotone, inc./dec volume to stress importance.

need to satisfy voters' needs. dema too timid to address / get blocked

Physical Delivery S E G NI
 Does the presenter employ facial expression, movement, and gesturing to achieve clarity, promote understanding, and heighten interest?
don't let the podium anchor you. more around, 3-step triangle strategy. use more hand gestures.

impact: demos. don't follow thru NY times; "must prove by changing things"

Overall Effect S E G NI
 In total does the presentation achieve its goals? Does it demonstrate mastery of this forensic event?

Repub. are leading

"they mention stuff that ppl don't care" => is this... true?

4min speech would be more impactful if you used your time wholly.
