S <u>E</u> G NI	Comments should be given for any rating other than superior. - great volume, great use of hands - good energy - eye contact is good but, you should look at the rest of the audience as well as the judge - great distinction of characters - loved the part where you chirped! - speech was good, remember to be less distracting for future reference if someone is speaking, wait until they are finished - great job overall :)

S <u>E</u> G NI	Comments should be given for any rating other than superior. - keep your phone turned off in your next rounds! very distracting during your speech - good tone, good volume, good eye contact - can improve your hand motions - distinct your characters to make it more obvious which character you are - could use more emphasis on characters dialogue, as well - good job! - remember to respect your competitors, don't use your phone while others are speaking in future rounds
