There will be novice and varsity divisions in Lincoln-Douglas. We will separate other events into novice and varsity divisions as numbers allow. As a result, please notate during the registration process which of your students, if any, are **freshman or sophomores or other students in their first or second years of competition**. Additionally, Program Oral Interpretation (POI) will be offered as a free event to schools interested in trying this relatively new event. **Entry fees** are \$10 per student, per entry. Students may double enter in one debate event and one speech event (a total of two entries, but only one debate event). They may also double or
