Dear High School Forensics Colleague:

The California State University, Fullerton Forensics squad invite you to attend the annual High School Speech and Debate Invitational which will take place Friday, October 14, through Sunday, October 16, 2016. We are committed to providing you with a professional atmosphere and an enjoyable competitive experience. We are very lucky to have several members of our experienced tab room staff returning to continue this long-standing tradition.

We continue to offer an opportunity for a Tournament of Champions (TOC) bid in **OPEN PUBLIC FORUM DEBATE**. Additionally, we are also offering multiple levels of competition including middle school, novice and open competition in Policy Debate, LD, Parliamentary Debate, Student Congress and in most Individual Events. Debate competition (including LD, public forum and parliamentary debate) takes place on Friday and Saturday. For the first time, Policy debate takes place on Friday, Saturday, and Sunday. Individual Events and Student Congress competition takes place on Saturday and Sunday.

This year, the Fullerton Marriott has worked with us to offer you a fine choice in accommodations. The same great CSUF hospitality will be available for your judges. Also, your students, coaches, staff, family, and friends will have food available to them for purchase without having to stray too far our tournament. Our College Park eatery location features the "Which Wich," "The Flame Broiler," and "The Habit." Also, CSUF Forensics will be selling snacks and beverages on campus. You can also commemorate your participation with a souvenir Tournament T-shirt that we will have for sale. Show your pride and support our program by wearing a part of the magic!

Due to other campus events and construction projects on campus, we may have to limit entries to maximize our competition space. Make sure to register early so that you can take advantage of this opportunity and get in on the action. Entries are limited and we will have to turn entries away once we meet our room limitations. So, get your entries in by the **October 10th deadline at 11:59 p.m.** deadline to ensure your spot. We will be using the on-line entry system available at <http://csufinvitational.tabroom.com/> Please check out our tournament website for any additional information and updates <http://www.csufdebate.com>

On behalf of the coaches and students of the CSU Fullerton Forensics squad who will benefit from any profits made at our tournament, we hope you will join us for our tournament this October!

Sincerely,

TOURNAMENT RULES AND ENTRY GUIDELINES

ELIGIBILITY: A novice is a first year high school competitor, honestly appraised by her or his coach as a beginner. A student who has never competed in debate, but has competed in individual events, may be entered in novice debate and open individual events. (Please note that any student, who has competed more than a year in any of the debate events, should not be entered as a novice in a different debate event). Similarly, a student may be entered in open debate and novice individual events if s/he has experience in the former, but not the latter. **In individual events, a student's assigned division must remain consistent across patterns.** Students with pre-high school debate experience (i.e., middle school), may enter either the Novice or Open divisions, at the best judgment of their coaches. All students are eligible for open division, at the discretion of her/his coach. **Maverick debaters will only be permitted under extreme circumstances and must be approved by the tournament director – hybrids should be clearly designated as such.** Individual event pieces may not have been used the prior competitive year.

Middle School: We are again offering middle school divisions for most speech and debate events. Eligibility for the middle school divisions are students between fifth to eighth grades. Each division will have the appropriate number of elimination rounds and speaker awards (Except LD has no speaker awards). We strongly encourage all middle school students to enter the middle school division. *If a middle school division does not attract enough entries for an independent division, they will be collapsed into high school novice. If this happens coaches will be notified on October 11.* **Middle School debate will follow the same schedule as novice.**

ENTRY LIMITS (see exceptions below): Because we are limited on the number of rooms, a school may enter a maximum of 10 debate teams, in any one event, Parliamentary, Policy Team, Public Forum Debate, with no more than 5 teams entered in any one division (open or novice). A school may enter a maximum of 10 LD debaters, with no more than 5 L-D debaters in any one division (open or novice). In Student Congress and Individual Events, a school may enter as many or as few students as a school chooses. Any entries beyond the maximum specified will be placed on a standby list and entered into the tournament upon availability by the tournament directors. Email your overage list of “hopeful adds” and we will do our best to accommodate your requests provided that we have the available rooms on our campus.

Please note that last year's tournament contained the largest entries that we ever received and our numbers meant that the tournament was at full capacity. We expect the same or more guests this year. If the trend continues, or we continue to grow, we will need to cut off entries and therefore cannot guarantee the addition of all teams on our standby list.

Debate (Team Policy, Lincoln-Douglas (LD), Parliamentary (Parli), and Public Forum (PoFo) Debate offered)*.

- Should any debater or team advance to elimination rounds on Saturday, they may only miss one round of Individual Events competition per pattern and receive an “averaged score” that would be an average of the two remaining scores for IE rounds 2 and 3. Missing more than 1 round of IE competition per pattern due to debate advancement will result in forfeiture of IE competition and the tournament will gladly reimburse the entry cost for that forfeited IE event.

(This is to eliminate any unfair advantage, bias or challenge that may result from having to average too many rounds of placement.) We hope that this will allow a more inviting competition environment that is accommodating and fair.

- **PLEASE NOTE THAT WE DO NOT BREAK BRACKETS AT THE TOURNAMENT.** (This means that the teams will be assigned elimination debates based on their seeded placement in the tournament's preliminary rounds regardless of whether the teams are from the same school. If two teams from the school are scheduled to debate, we recommend that a coach determine which team will move on to the next elimination round and notify the tournament's tabulation staff).

Individual Events/ Congress: No entry limits per school with the following exceptions:

- **CONFLICT PATTERNS: Students can enter ONE event in each pattern**
- **NO DOUBLE ENTRIES ARE ALLOWED.**
 - **Pattern A:** congress, extemporaneous, informative, dramatic interpretation, duo interpretation, oratorical interpretation
 - **Pattern B:** impromptu, persuasive, humorous interpretation, thematic interpretation, original prose and poetry

RULES FOR TECHNOLOGY AND EVIDENCE USE:

Team Policy debate, Lincoln Douglas (L-D) debate, Public Forum (PoFo) debate

Students are permitted to use computers in rounds in order to flow speeches, prepare speeches or access pre-prepared evidence files. Students may have a live Internet connection only for the purpose of accessing files on Dropbox, Cloud, or a similar system for electronic storage. Students may not access, cut, or site new evidence and sources found from the Internet during the round. If a student violates this policy, the tabulation room should be immediately notified.

Parliamentary (Parli) debate

The intent of Parliamentary Debate is to encourage an extemporaneous or impromptu argumentation. Reference to "outside materials" should be limited; instead, students should rely on general knowledge, common sense, and application of logic and analysis. Nevertheless, the use of "outside materials" is allowed within the following parameters:

- 1) No prepared materials may be brought into the debate round for the debater's use.
- 2) Debaters are not permitted to read published material in the speeches of the debate to support their argument claims.
- 3) During the debate, students may consult notes prepared during the preparation period.
- 4) Debaters may take and use notes during the debate.

Students may not use or access computers at any time during a parli round or during parli prep. If special circumstances exist that require students to use a computer or technology, please contact tournament staff at csufdebate@gmail.com NO LATER THAN OCTOBER 10, 2016. Special accommodations and arrangements cannot be made during registration or at the tournament.

Extemporaneous Speaking

Preparation for speeches must occur in prep room. Computers or other electronic devices *may only access* information from sources that are already on the computer in the pre-prepared extemporaneous digital file. No other “live” sources may be accessed by the student. Computers equipped with removable wireless cards must have the cards removed before the beginning of any round of competition. It is the responsibility of the contestant to disengage the equipment. Computers with built-in wireless capability may be used only if the wireless capability is disabled. It is the responsibility of the contestant to disable the equipment. Computers or other electronic devices may not be used to receive information from any source (coaches or assistants included) inside or outside of the room in which the competition occurs. Internet access, use of email, instant messaging, or other means of receiving information from sources inside or outside of the competition room are prohibited.

Smart Phone Policy

Students may only use phones in debate rounds for the timing of their speeches. Accessing the internet, searching for research, and consulting coaches via phone call or texts in-round are strictly prohibited.

Source Integrity

All students must bring copies of all sources, which must include the full context of the citation, not simply a retyped list of short sentences and quotes. Debaters must make said sources available to either their opponent(s) in the round, and/or their judges after the round upon request. Debate entries failing to do so, or debaters who significantly misrepresent sources in the round may be disqualified at the discretion of Tab. Speech contestants should have the full original source of all material in interpretive events available at the tournament, in addition to their cutting. Oratory and Extemp students should have the text of any material they cite in their speeches available at the tournament. Students misrepresenting sources or using sources not available may be disqualified at the discretion of Tab.

INDIVIDUAL EVENTS (IEs) INFORMATION/DESCRIPTIONS:

As an invitational, we do not adhere to organizational rules (such as CHSSA/NFL/NSDA) that supersede what is on our tournament invitation. Dispute decisions will be made by tournament directors.

*For interpretation events, props are not allowed—the exception to this rule is the use of the “black book” (manuscript) on a limited basis.

PATTERN A EVENTS:

STUDENT CONGRESS (PATTERN A): CONGRESS TOPICS WILL BE RELEASED ON SEPT 19th ON TABROOM.

Student Congress will follow a modified version of Parliamentary procedure based on NFL and CHSSA rules. All interpretations of procedure made by the chair of each session are considered final. Sessions will last 80-90 minutes. Students will present 3 minute speeches of proponency or opponency, followed by one minute of cross-examination. The time period should allow most, if not all students, to speak. Due to the dynamic nature of this event, we cannot guarantee that each student will have an opportunity to speak. Priority slips will be used to determine speaking order and priority. One set of priority slips is issued per competitor for the 3 preliminary rounds. Lost or misplaced priority slips will not be replaced!

In addition, we will be offering a Presiding Officer (PO) contest. Competitors will enter EITHER Student Congress OR the PO contest, not both. Presiding Officers will conduct proceedings in rounds (in the event of more PO contestants than houses, they will share a house and split the round time between them). After the final preliminary round, Congress participants will rank order the PO contestants, whom they witnessed, with the highest ranks moving on to subsequent elimination rounds. PO Competitors must have sufficient knowledge of congress round and parliamentary proceeding; therefore the PO contest is Varsity only – no novice entrants will be accepted. Note that the presence of a PO competitor counts toward the school’s requirement for bringing a PO.

All schools that have Congress entries are REQUIRED to submit AT LEAST one person to serve as a Presiding Officer. Judges must be at least two years out of competition and should have some Congress experience OR should read the P.O. information provided at the tournament.

Due to room requirements for this unique event, student congress entries will be limited to a maximum of 120 competitors in each division, even if school entry limitations have not been met. If you would like to place any students on a list to fill in dropped slots, please e-mail at csufdebate@gmail.com

EXTEMPORANEOUS SPEAKING (PATTERN A): The general topic area will be national and international affairs for the preceding 90 days. Each speaker will draw three topics 30 minutes before s/he is to speak and select one for the topic of the speech. Preparation must be completed without the aid of coaches or other contestants, though the use of magazines, newspapers, or other published research resources is permitted. Please also refer to the “Rules for Technology and Evidence Use” above for Extemporaneous Speaking. Notes are allowed but not encouraged in open division. Notes are permitted in novice division. There is a 7 minute maximum speech time.

DRAMATIC INTERPRETATION (PATTERN A): Selections may be prose, poetry, drama, or screenplays of a serious nature. All selections must consist of published material. The contestant may not have used the selections in tournaments prior to the current school year. This is not an acting event; thus, no costumes, props, etc. are to be used. Although gestures, pantomimes, and movement are not barred, they should be used with restraint, as this is not a contest in acting. There is a 10 minute maximum.

INFORMATIVE SPEAKING (PATTERN A): Any appropriate subject may be used, but the primary purpose of the speech must be to inform, explain, demonstrate, or impart knowledge about an idea, concept, process, or procedure. Visual aids may be used insofar as they contribute to the overall goal of the speech. No costumes may be worn, but items of dress necessary to the presentation may be added during the speech. All informative speeches must be the original work of the student and must have been prepared during the current school year. Speeches used in previous years will be disqualified. A typewritten or clearly handwritten manuscript of the speech must be available on request from the Tournament Director. No notes or manuscripts are allowed in open division. Notes may be used in novice division. There is a 10 minute maximum.

DUO INTERPRETATION (PATTERN A): There will be no novice/middle school division for this event – all entries will be in the open division due to a history of entry numbers insufficient for two divisions. This event is a cutting from a play, humorous or serious, involving the portrayal of two (or more) characters presented by two individuals. The material may be drawn from stage, screen, or radio. This is not an acting event; thus, no costumes, props, etc. are to be used. Use of scripts is optional. Contestants should be evaluated on their interpretation and not on whether scripts are used. Although gestures, pantomimes, and movement are not barred, they should be used with restraint, as this is not a contest in acting. Maximum time limit is ten (10) minutes, including the introduction.

ORATORICAL INTERPRETATION (PATTERN A): There will be no middle school division for this event – all entries will be in either novice or open division due to a history of entry numbers insufficient for three divisions.* The event requires presentation of a published speech that was actually delivered in a public forum. This speech event encourages students to understand the relationship of an oration to the times that inspired it. Students must interpret the oration with a whole new voice to a whole new audience. It is the only interpretive event that allows you to use the internet as a source for selection so long as the web source is accessible from a basic internet search. The piece must have an introduction that includes the name of the author, the title of the oration, if any, the name of the source where the oration was published, and the place and date of the original delivery. No more than 150 words can be added, including the introduction and any transitions. The editing and/or delivery must not change the author's intent. The speech should be memorized. Presentation cannot go over 10 minutes long. While there is no minimum time, speeches are usually not shorter than 5 or 6 minutes.

PATTERN B EVENTS:

IMPROMPTU SPEAKING (PATTERN B): Topics are varied from round to round and can include philosophical quotations, fortune cookies, postcards, physical objects, etc. Each speaker will draw 3 topics and choose one as the subject matter of the speech. The speaker has 7 minutes maximum to divide between preparation and speaking time as s/he chooses (2 minutes preparation followed by a 5 minute speech is considered standard--there is no assumed additional preparation time for middle school impromptu). Students are permitted to use one blank note card in order to make speaking notes during prep time and to use those notes during the presentation of the speech.

PERSUASIVE SPEAKING (PATTERN B): Any appropriate subject matter may be used, but the primary purpose of the speech should be to alter or change beliefs, attitudes, or behavior. All persuasive speeches must be the original work of the student and must have been prepared during the current school year. Speeches used in previous years will be disqualified. No more than 200 words of quoted material are allowed. A typewritten or clearly handwritten manuscript of the speech must be available on request from the Tournament Director. No notes or manuscripts are allowed in open division. Notes may be used in novice division. There is a 10 minute maximum.

HUMOROUS INTERPRETATION (PATTERN B): There will be no middle school division for this event – all entries will be in either novice or open division due to a history of entry numbers insufficient for three divisions*. Selections must be prose, poetry, drama, or screenplays of a humorous, but not slapstick, nature. All selections must consist of published material. The contestant may not have used the selections in tournaments prior to the current school year. This is not an acting event; thus, no costumes, props, etc. are to be used. Although gestures, pantomimes, and movement are not barred, they should be used with restraint, as this is not a contest in acting. There is a 10 minute maximum.

THEMATIC INTERPRETATION (PATTERN B): There will be no middle school division for this event – all entries will be in either novice or open division due to a history of entry numbers insufficient for three divisions*. The contestant is to present a program of 3 or more selections from different works based on a theme of the contestant's own choosing, utilizing an original introduction and transitions. All selections must consist of published material and shall be at least 150 words in length. The contestant may not have used the selections in tournaments prior to this school year. This is not an acting event; thus, no costumes, props, etc. are to be used. The manuscript is to be interpreted; although gestures, pantomimes, and movement are not barred, they should be used with restraint, as this is not a contest in acting. There is a 10 minute time limit.

ORIGINAL PROSE AND POETRY (PATTERN B): There will be no middle school division for this event – all entries will be in either novice or open division due to a history of entry numbers insufficient for three divisions.* The contestant is to present his or her original material, which may consist of prose, poetry or a combination of both. The contestant may not have used the material in tournaments prior to the current school year. This is not an acting event; thus, no costumes, props, etc. are to be used. Although gestures, pantomimes, and movement are not barred, they should be used with restraint, as this is not a contest in acting. There is a 10 minute time limit.

*** In the event Novice does not have sufficient numbers to justify both divisions, the divisions will be collapsed into Open. Any changes will be announced on October 11, 2016.**

CSUF TOURNAMENT ENTRY

Tournament entries are submitted online through the tabroom.com website. Please see page 22.

IMPORTANT REGISTRATION REMINDERS:

- **The individual who registers your school must be a representative of the school and willing to take responsibility as the primary contact for all guests affiliated with the school who are attending the tournament.** (A parent is an acceptable representative but we need to be notified BEFORE the tournament. Please email CSUFdebate@gmail.com to identify the individual who is registering in place of the coach/teacher).
- **At registration, each school must provide the CONTACT INFORMATION (mobile numbers and emails) for ALL OF YOUR JUDGES.**

JUDGING COMMITMENT:

Schools are required to meet their judging commitments.

- Each school is obligated to provide **ONE QUALIFIED JUDGE (full 6 preliminary round commitment plus appropriate elimination rounds) for every two policy debate teams or a fraction thereof.**
- Each school is obligated to provide **ONE QUALIFIED JUDGE (full 6 preliminary round commitment plus appropriate elimination rounds) for every four LD entries or fraction thereof.**
- Each school is obligated to provide **ONE QUALIFIED JUDGE (full 6 preliminary round commitment plus appropriate elimination rounds) or for every four Public Forum entries or fraction thereof.)**
- Each school is obligated to provide **ONE QUALIFIED JUDGE (full 6 preliminary round commitment plus appropriate elimination rounds) for two Parliamentary Debate entries or fraction thereof.**
- Each school is obligated to provide **ONE QUALIFIED JUDGE per SIX PRELIMINARY IE "slots" plus appropriate elimination rounds (regardless of pattern).**
- **Please note, a judge in one division of debate CANNOT simultaneously cover the same commitments in another division of debate.**
- Each school is obligated to provide **ONE QUALIFIED JUDGE per SIX PRELIMINARY Congress entries or fraction thereof (plus appropriate elimination rounds).**
- **Schools with Congress entries MUST provide AT LEAST one person to serve as a Presiding Officer.** This person must be at least two years out of competition and should have some Congress experience OR should read the P.O. information and training provided at the start of the tournament.

If your school provides judges for the above commitments, then you will be charged for a "COVERED" team/slot. If your schools CANNOT provide judges based on the stipulations above, then you will be charged BOTH the "COVERED" Fee and the "UNCOVERED" team/slot fee FOR EACH INDIVIDUAL TEAM/STUDENT OR SLOT, NOT BASED ON JUDGING COMMITMENT (in order to cover both the cost of the judging - including payment and hospitality - and the cost of hosting the tournament). Therefore it is far more cost effective to bring your own judge than pay additional fees.

IMPORTANT JUDGING REMINDERS:

- **ALL DEBATE JUDGES ARE REQUIRED TO BE AVAILABLE FOR THE FIRST ELIMINATION ROUND REGARDLESS OF WHETHER YOUR TEAMS/STUDENTS HAVE QUALIFIED!** Please note that each judge is obligated until one round after his or her team is eliminated from competition. If judges are absent or missing, fees will be assessed or the judge security deposit will be retained.
- **Please note, if your debate teams are still in elimination rounds, judges cannot simultaneously cover Individual Events judging obligations.** Once your debate teams are out of elimination competition AND the judges have been cleared by the Tabroom, then the judges can cover your IE slots.
- Any **judge changes** made from the original entry **must be given to the tournament administration** during registration so that we can give you and your judging staff their proper credit. As always, we prefer your judges to cover your commitment over you monetary contribution to our cause.
- **Under no circumstances are judges allowed to pass their ballots to someone else without permission of the judging table. We will impose nuisance fees for repeat offenders of this policy.** \$25 per round will be charged to schools with judge no-shows during the tournament. Repeated violations will result in withholding the Judge Deposit (see section below for more information).

ENTRY FEES/JUDGE DEPOSITS:

JUDGE SECURITY DEPOSIT of \$100.00 is required for EACH SCHOOL to ensure that judging commitments will be met. Judging security deposits made in the form of a separate check solely for this purpose will be returned. This fee, COLLECTED AT REGISTRATION, helps to ensure that each school will provide ample judging to help cover their commitment in the tournament. This judging deposit will be refunded at ballot pick-up provided that the school has met their judging requirements.

***Please note: schools that are already paying for ALL UNCOVERED SLOTS are NOT required to provide a security deposit at registration.**

These fees will be collected prior to awards, and a school's awards will not be released until the fees are paid. Please stress the importance of all judges checking for ballots and judging to fulfill your commitment (including during elimination rounds) so that your school will not be placed in an undue predicament by the tournament.

HELP US KEEP CSUF RESPECTED, AND A SAFE & CLEAN PLACE!

At the previous tournaments held in October and last April, many students, faculty, staff, friends and family members from your schools helped us keep our campus and rooms clean and respected our property.

Unfortunately, there were also a few reckless students who posed challenges to our campus. Last year, high school/middle school students were identified for making unnecessary noise, walking around on floors that were not reserved for the event, and attempting to open locked doors (including personal offices)

In future tournaments, our tournament staff and campus safety officers will continue to patrol for unruly behavior. We know that the majority of your students are following tournament rules and conducting professional behavior, however, the inappropriate actions of a few students could jeopardize our ability to host future speech and debate tournaments and events.

As such, participation in our tournament requires the following guidelines:

- All students and guests must respect our campus policies, showing respect to other teams, coaches, or judges, and conducting themselves in a professional manner.
- We expect that students will keep the noise in the halls to a minimum and clean up after themselves in rounds. We also expect that students will only use the rooms and floors marked by our signs, as those are the rooms and floors we are assigned for the event.
- Additionally, students who are caught littering, re-arranging name plates, compromising bulletin boards, or engaging in otherwise inappropriate behavior may receive a one-way escort by our campus security and will not be allowed to return for the remainder of the competition.
- Coaches, please continue to monitor your students at tournaments and inform our staff if student participants and campus guests are engaging in inappropriate behavior.
- All schools should provide parent chaperones or coaches who are required to accompany students and stay on campus during the entirety of the underage students' participation in the event.

We work hard to uphold a great tradition that many of our prior Forensics coaches helped us to establish many years ago. Help us keep this going by making sure that our campus is "ready for action" for Monday morning. Please help us out to continue this great event.

*** ALL participating judges will be asked to sign a professional conduct agreement at the time of registration.**

SMOKE FREE CAMPUS

As of August 1st 2013, the CSUF campus is completely smoke free. Please inform your coaches, judges and parents that smoking on any part of the CSUF campus is forbidden. This website will provide more information on the smoke free policy including a map of designated smoke free areas (it's the entire campus): <http://smoke-free.fullerton.edu/>

Please note that "Smoking" is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe or other lighted smoking product, including electronic cigarettes. "Visitors" include university volunteers, contractors and vendors. Those who repeatedly disregard the smoke free policy will be asked to leave the tournament.

RECOGNITIONS AND FINAL NOTES

RECOGNITIONS: Debaters advancing to the elimination rounds in all divisions will receive individual recognitions. Team debate speaker awards (PROVIDED FOR PARLI, POLICY and PUBLIC FORUM ONLY) are presented at an awards assembly after the first elimination round on Saturday. (There will be NO LD SPEAKER AWARDS; we only recognition final placement in LD). Elimination round trophies for LD, Parli, Policy and Public Forum debate are presented immediately following each elimination round.

PLEASE NOTE THAT WE DO NOT BREAK BRACKETS AT THIS TOURNAMENT. IF TEAMS FROM THE SAME SCHOOL ARE SCHEDULED TO MEET IN ELIMINATION ROUNDS, THEN THE COACH WILL BE ASKED TO ADVANCE ONE OF THOSE TWO TEAMS.

All individual events contestants advancing to the finals will receive recognitions. Special recognitions are presented to the top 10 competitors in both divisions of Congress. Once again, the first place competitors in Congress receive the "Reed-Stockton" First Place Congress Award. The individual events/Congress awards ceremony is held Sunday in one of in the Titan Student Union.

In the event we collapse divisions (such as Middle School/Novice), we will recognize 1 Top Novice Speaker and 1 Top Middle School Speaker in those divisions.
