THE PATRICK O 'NEIL L MEMORIAL AWARD

The Patrick O'Neill Memorial Award seeks to recognize successful policy debaters that embody the spirit of hard work, integrity, graciousness, and collegiality while achieving competitive success, even in the most intense debates. To be considered for the award, the debater must compete in the Varsity Policy division of The 2016 Glenbrooks.

Mr. O'Neill was a former high school debater at Walter Panas HS (NY) and a former assistant coach at Glenbrook South in the 1980s. He was the winner of the Tournament of Champions in 1978. Mr. O'Neill passed away two years ago and family and friends desire to have his legacy live on through an award that recognizes debaters that mirror characteristics that Patrick also possessed. The award is sponsored by former GBS assistant coaching colleague Kevin O'Shea, competitor and friend Powell Miller, and the O'Neill family.

Coaches can nominate students who they believe demonstrate the qualities of award. Members of the Blue/Green and Gold Society then determine the recipient.

Past recipients:

2013 - Hemanth Sanjeev – Stratford Academy (GA) – Coach: Abby Schirmer

2014 – Ayush Midha – Harker School (CA) – Coach: Greg Achten

2015 – Emily Gordon – Rowland Hall – St Mark's (UT) – Coach: Michael Shackelford

TOURNAMENT INFORMATION – DEBATE PARTICIPANTS/JUDGES ALL LINCOLN-DOUGLAS AND PUBLIC FORUM @ GBS CONGRESSIONAL DEBATE @ GBS

BIG QUESTIONS DEBATE @ GBS ALL POLICY DEBATE @ GBN/MAPLE SCHOOL ALL INDIVIDUAL EVENTS @ ATTEA MIDDLE SCHOOL

1. Varsity, JV, and Novice policy debate will use the 8-3-5 format. Lincoln-Douglas debate will use the 6-3-7-3-4-6-3 format. Public Forum debate will use the 4-3-2-3-2 format.
2. A 10-minute preparation rule will be enforced in policy debate. 4 minutes of preparation will be enforced in Lincoln-Douglas. 2 minutes of preparation time will be enforced in Public Forum.
3. Debaters in Public Forum debate will use the NSDA November topic. Procedures for the debate will follow NSDA guidelines: –Prior to the round in the presence of the judge(s), a coin is tossed by one team and called by the other team. The team that wins the flip may choose one of two options: EITHER the side of the topic they wish to defend OR the speaking position they wish to have (begin the debate or end the debate). Once the coin toss winners select their favored option, the other team makes a choice with the remaining option.
4. Inexpensive meals will be provided Saturday and Sunday mornings, Saturday and Sunday afternoons and early Sunday evening. All meals should be purchased at the high schools. The schedule does not permit time to leave the building. Please do not bring food from outside into the building – all schools are contracted and outside vendors are prohibited.
5. Please eat only in the cafeterias. Food should not be taken into the classrooms or hallways (this includes judges!). Please use the trashcans provided in each classroom and in all hallways. Do not leave trash on the floors or on the tables in the cafeteria.
6. All of the campuses being used for The Glenbrooks are non-smoking campuses. **Smoking is not allowed anywhere on school property.** If you wish to smoke, you must walk across the street to a location that is not on school grounds. Security will enforce this rule. Please also note that Northbrook has an ordinance against smoking so you may be ticketed while smoking on the sidewalks off campus.
7. The concession stands are located in both the East Cafeteria and West Cafeteria at GBS and Cafeteria C120 at GBN. Students will be using only the East Cafeteria after 2:00 pm on Sunday at GBS. Snacks and soft drinks will be available throughout the tournament. The Coaches' Lounge at GBS is in the Faculty Cafeteria and in the designated area of the Student Cafeteria C120 at GBN. The Tab Rooms are located in the Student Activities Center and the Instructional Media Center at GBS and in the staff cafeteria in C110 at GBN. Tabulation will be run on Monday from the Boardroom at the Renaissance North Shore Hotel. Tabulation rooms are closed to all students. Coaches and judges should direct their tabulation questions to Mr. Voss (GBS) or Mr. Greenstein (GBN).
8. Security personnel and members of the GBN and GBS faculties are in the building for your safety and to provide information. Feel free to contact them if you have a problem. Please treat them with respect. Please do not remove any furniture or equipment from any of the rooms.
9. All rounds are open to authorized guests of the tournament. Guests may flow debates.
10. Some teams with a 5-2 or better record will break to sextodecimofinals in Spark Investment Management VCX and VLD debate. Speaker awards will be presented to the top 25 Spark Investment Management VCX debaters and the top 20 Spark Investment Management VLD speakers. Glenview State Bank Junior Varsity LD will also break to sextodecimofinals, with 10 speaker awards. JV Policy will break to octafinals with 15 speaker awards. Public Forum will break to sextodecimofinals and 15 speaker awards will be awarded. The Novice policy division will break to octafinals. Ten speaker awards will be given.
11. On Saturday night, evidence may be stored in the classrooms at GBS and in the hallways at GBN. Do not leave unpacked evidence in the classrooms, since the custodians must clean the rooms overnight. We will take no responsibility for evidence left overnight.

12. Please do not loiter in the building after the rounds on Saturday and Sunday evenings. After prelims, all materials must be removed from the second floor at GBN and from the 300-400 wing at GBS. Remove all materials from both buildings Sunday evening.
13. Power matching will occur at the end of Round 2 in all divisions. Unlike some tournaments that call themselves national invitationals, The Glenbrooks will never lag the power matching of a debate round nor power any round high/high. Each round will be power matched high/low within brackets. If we have to pull teams up, the computer will make those decisions. No teams should be pulled up more than once. We will use the most updated version of the Tab Room on the PC for VLD, JVLD, JVCX, and NCX. We will be using tabroom.com for VCX and PF. The presets will be randomly assigned by the computer with geographic constraints.
14. Elimination round participants will be determined in the following order: (1) win-loss record; (2) adjusted team pts; (3) opponents' records; (4) total team pts. Speaker awards will be based on adjusted points, total points, judge variance, double adjusted pts, ranks, and record.
15. Schematics for Round I will be available at the schools at 7:30 am on Saturday. Round Five will be available at 7:30 am on Sunday. All schematics will be distributed outside the Instructional Media Center at GBS and Cafeteria C120 at GBN. Please congregate in the cafeterias after each round. Do not loiter in the halls or in classrooms.
16. Tabulation Room supervisors are listed at the front of the program.
17. On Monday morning, rounds begin at 8:30 am at the Renaissance North Shore.
18. Policy judges are expected to cover four rounds per team entered (a school is obligated for 7 prelims per two teams). LD judges may judge a minimum of four rounds, regardless of how many entries you may have.
19. Judges will be required to serve one round after their last team has been eliminated. If your team is eliminated on Sunday night, do not embarrass yourself or the tournament by neglecting your judging obligation for Monday morning. This may result in your entry being denied in future years. Hired judges are expected to stay until released by the tournament directors.
20. **All debate ballots will be available via tabroom.com.** If you're not familiar with tabroom.com, you should be...it's 2016. IE ballots will be printed and handed out at the ballot table at Attea.
21. Ballot completion and return occurs via tabroom.com. Press -START ROUND|| at the beginning of each debate, and be sure to COMPLETE and CONFIRM your ballot at the end of each round.
22. Do not forget to give points and ranks to each debater in policy debate. Give a decision in each round. Please check -low point win|| if higher points are given to a losing team. Do not give points lower than 20 in policy or in LD. The tab room will raise points to 20 if you forget. Decimals for speaker points are allowed.
23. Rooms are difficult to find in these large suburban high school buildings. Please use the maps provided or check the ones posted throughout the buildings. Students and staff wearing green or blue 2016 Glenbrooks T-shirts will be available to help you. Since hallways are being used for competition, please be especially quiet when moving from round to round. Due to the size of our tournament and our desire to accommodate as many entry requests as possible, some of our rounds are in common spaces in the building.
24. Judges not scheduled for a particular round should wait in the Faculty Cafeteria at GBS and in C120 at GBN. Please do not leave or wander around the building. Not being initially scheduled does not translate into having no obligation for that particular round. Missing a stand-by assignment carries the same penalties as missing a published assignment.
25. Judges must be careful about returning their ballot at the end of each round. Be sure to CONFIRM your ballot!
26. Do not forget to get **first and last names** for the debaters in your rounds
27. Monday's debates for Cross-Examination and Lincoln-Douglass will be at the Renaissance North Shore Hotel. A breakfast **for those debaters competing in elimination rounds and their coaches** will begin at 7:30 a.m. The rounds begin at 8:30 a.m.

29. Parking:
---At GBN: park on the north side of the building, either in the faculty or the student parking and enter in the North Doors (do not enter under the sign –Visitor Entrance on Shermer Road and do not park in Visitor's Parking).
---At GBS: park in the lots on the Northeast side of the building off Pfingsten Rd. Enter through the two rotundas in the back of the building. Do not park or enter through the front.
30. **Please do not delay in going to your rounds. The tournament will stay on schedule only if you start your rounds on time. Debate tournaments have gotten out of control in terms of lateness in the last few years and The Glenbrooks will not fall into this trap. If teams are more than fifteen minutes late, Mr. Greenstein or Mr. Voss may forfeit them with no points. If school judges are late, they may cause losses for their teams. If hired judges are late, they will not be paid. Please don't force us to use draconian measures to enforce a reasonable schedule.**
31. **Do not vandalize any part of the buildings, touch any piece of technology, plug into one of the schools' networks, or otherwise make mischief. Violators of simple respect for the facilities will forfeit their entire school's entry and said school will not receive an invitation to the Glenbrooks in the future.**

CONGRESSIONAL DEBATE PARTICIPANTS AND JUDGES

(Glenbrook South)

PLEASE READ CAREFULLY

The new NSDA Rules have resulted in significant changes with regard to how debaters advance.

GENERAL MATTERS

1. The concession stands are located in both the East Cafeteria and West Cafeteria at GBS. Students will be using the East Cafeteria after 2:00 pm on Sunday at GBS. Snacks and soft drinks will be available throughout the tournament.
2. Food should not be taken into the classrooms or the hallways. Limit the food consumption to the Student Commons.
3. **There will be no smoking anywhere on the GBS campus. It is smoke-free! If you must smoke, leave school property.**
4. The Coaches' Lounge will be in the Faculty Cafeteria.
5. The Tab Rooms are located in the Instructional Materials Center at GBS. Tabulation rooms are closed to all students. However, if coaches have any questions, they should contact Ms. Tate or Mr. Voss. Decisions by Ms. Tate or Mr. Voss carry absolute weight and have the full support of the tournament directors.
6. Please do not remove any furniture from any of the rooms.
7. Dockets for preliminary sessions, the semifinal session, and the final session is available at Joy of Tournaments.
8. All legislative sessions are open to authorized guests of the tournament.
9. ROOM LOCATIONS: Please consult the map provided in your registration packet.
10. Please do not loiter in the building after the rounds Saturday evening or after you have been eliminated on Sunday. If you are not watching rounds, you should be in the cafeteria or with your coach. **Remove all materials from the building Sunday evening.**
12. Please use the trash cans provided in each classroom and in all hallways. Do not leave trash on the floor. Clean your table in the commons.
13. **Coaches/school judges should be available for all sessions, including the final session. Missing session assignments will result in all your students being ranked last. Missing the final session judging assignment may prevent your school from receiving future invitations to the tournament. Each student deserves the best judging possible and this can only occur if everyone reports to the rounds assigned.**
14. **Judges should obtain chamber folders from the table in front of the IMC. All judges should meet in the GBS Auditorium at 8:10 a.m. on Saturday. Judges should report to chambers for Session I at 8:45 a.m. to assist the students in electing presiding officers. The judging assignments will be made for all preliminary sessions but these are subject to change. Subsequent session assignments will be posted in the Faculty Cafeteria and at the ballot table in front of the IMC. Judges not used in a particular session should stay on stand-by in the Faculty Cafeteria, until released by a member of the tabulation room staff.**
15. **At the end of each session, chamber folders should be given to a student runner who will return the folder to the tab room.** Please don't leave Saturday evening with your folder or any critiques in your briefcase. No oral critiques, except general statements to the chamber as a whole.
16. The Awards Assembly will be at Sunday following the final session in room 103 (the Lyceum) at GBS.

CHAMBER DIRECTIONS and JUDGING GUIDELINES

Again this year, the rules of the Glenbrook's Congressional Tournament are consistent with the guidelines and standards suggested by the Tournament of Champions, for which students who advance to a Semifinal chamber earn qualifying bids. In addition, NSDA rules are followed when appropriate.

CHAMBERS

1. The tournament will consist of four preliminary sessions, one semifinal session and a final session.
2. Students will be assigned to geographically diverse preliminary chambers of 18-22 (and not exceeding 25) students. Where possible students from the same school will be placed evenly in chambers. However, students may be placed together to leave chambers open for judges from that school to judge in other chambers.

LEGISLATION -- Legislation as provided on Joy of Tournaments website should be downloaded and copied. The tournament will not supply copies to the students. The legislation for the semifinal session and the final session is listed on the Joy of Tournaments website. We will have one packet of legislation in the chamber folder.

Legislation will be blindly chosen from submissions. School names will be removed. 12 pieces of legislation will be chosen for the preliminary sessions with an additional three pieces chosen as reserves. Three pieces will be chosen for semifinals. Three pieces of legislation will be chosen for finals from the NSDA November docket.

COMMITTEE SESSIONS

1. Each chamber will act as a committee of the whole to determine the order of legislation to be debated. The chamber may do this by unanimous consent or by voting on suggested dockets.
2. The selection of legislation should be based on the following criteria: Is the bill controversial, timely, and well written? Are there substantial pro and con arguments concerning the bill?
3. The debated legislation should alternate between Economics, Foreign Affairs and Public Welfare bills or resolutions.
4. Debate will continue until time expires in the session or until all bills are debated. If additional bills are needed for debate the chamber may select legislation not originally placed on the committee lists.

PROCEDURES WITHIN THE CHAMBERS

1. Two or three scorers will be assigned to the chambers each session. The tournament will provide seating charts for each session.
2. The scorers and or parliamentarian will then conduct elections for Presiding Officers. Students may be nominated or may nominate themselves. Each nominee will be given an opportunity to present a brief statement (not exceeding 30 seconds) in support of his/her candidacy. **Each school within the chamber may cast one vote.** Voting will continue, dropping the lowest vote-getter(s), until one person receives a majority. The voting for the second session Presiding Officer shall be held either at the end of the first session or the beginning of the second at the discretion of the chamber. Voting for the third session presiding officer may happen at the end of the second session or beginning of the third session.
3. Debate will begin once the presiding officers have been selected. There is no time limit on debate of any bill or resolution.
4. Debate on each bill or resolution will begin with a request for a three-minute authorship speech to be given by the author or representative from his/her school. In the absence of an authorship speech, the Presiding Officer will call for a sponsor in favor of the bill. Following the delivery of the first speech introducing the legislation, the chair will allow for two minutes of questioning of the speaker. Following the questioning, the chair will ask for a speech in opposition to the bill. This speech will be three minutes long followed by a two minute of questioning (consistent with new NSDA rules). All subsequent speeches shall be three minutes in length followed by a one minute questioning period. Timing runs continuously during the question and answer period.
5. A debater may not speak on both sides of the same legislation.
6. Voting on all matters will be one vote per student, except otherwise specified by the tournament staff.
7. All voting will be done only by those members in the Chambers at the time of those present in the chamber must vote in favor to pass. For decisions requiring a 2/3-majority vote, it will be 2/3 of those in the chamber. In cases to ties, the Presiding Officer votes to break the tie.

8. Recognizing Speakers.
 - a. When more than one speaker seeks the floor, the presiding officer must follow the precedence/recency method, that is:
 1. First recognize students who have not spoken during the session
 2. Next recognize students who have spoken fewer times
 3. Then recognize students who spoke earlier (least recently)
 - b. During any session, precedence/recency should not reset, to ensure that all students in a chamber have an equal opportunity to speak and receive evaluation from the scorers. When a new session begins precedence/recency will be reset.
9. The Presiding Officer starts timing questioning periods when s/he has recognized the first questioner, and keeps the clock running continuously until time has lapsed. Speakers are encouraged to ask brief questions, and may only ask one question at a time (two-part/multiple questions are not allowed).

SCORER'S AND PARLIAMENTARIAN RESPONSIBILITIES

1. Two or three qualified scorers per session will evaluate each speech by participants (except in the unavoidable case of a same school conflict) on a scale of **1-8 points**. The scorer should rate the students as "legislators" and not merely as "speakers" considering their debating skill as well as their oratorical skills in discourse. The guidelines are specified on the ballot.
2. A scorer should not evaluate a student from his or her school.
3. A Parliamentarian will be appointed to serve the three preliminary sessions. The Parliamentarians also ensure regular order and fairness in the chamber.
4. The Parliamentarian will evaluate the performance of the presiding officer following each session. As in the NSDA rules, the Parliamentarian will award the Presiding Officer up to eight points per hour per session for a total of 20 points. The parliamentarian will be credited with 2.5 speeches.
5. Judges (scorer and Parliamentarian) will conduct elections for Outstanding Legislation at the end of the third session. All legislation that was debated within the chamber will be eligible for consideration. Each school in the chamber will be allowed one vote. The winning legislation must receive a simple majority of the votes cast. If no legislation earns a simple majority, the legislation that receives the lowest vote total (or the legislation with the same lowest total) will be dropped from consideration until such time as one piece of legislation does obtain the required simple majority.
6. Judges will conduct elections for best Presiding Officer at the end of the third session. Each school in the chamber will be allowed one vote. The winning candidate must receive a simple majority of the votes cast. If no person earns a simple majority, the candidate who receives the lowest vote total will be dropped from consideration and voting will be repeated. If the two lowest vote getters are tied, a run off between the two will occur with the lowest vote getter being dropped. Another vote will be taken between the two remaining candidates.
7. The Glenbrook Critique Ballot will be used again this year, which allows for the review of up to six speeches from a single student. Consistent with the NSDA rules the points for each debater will be tabulated for NSDA points but are no longer considered for advancement to the semifinals or the final session.

ADVANCEMENT TO THE SEMIFINAL CONGRESS

1. The Parliamentarian shall rank the all students in the chamber who he or she believes to have been the best "legislators" with emphasis on the debating skills of the students on a preferential ballot. The Parliamentarian's ballot shall be weighted by a factor of two. The parliamentarian's ranks, up to eighth are inputted, with subsequent ranks considered as ranks of 9.
2. Each Scorer shall rank the top eight students in the chamber without consultation, again considering the students as "legislators" on a preferential ballot. The Presiding Officer may be included in the rankings. The non-ranked students shall receive a rank of 9.
3. Four to six students will advance from each chamber to the Semifinal chambers based on a preferential ranking of the eight ballots (six scorers and two Parliamentarian ballots). The number of students advancing is dependent on the number of chambers and the optimum number of students in the Semifinal chambers.
4. Each individual chamber is tabulated independent of the others. Legislators with the lowest cumulative rank total advance to the next level of competition, employing the following tie-breakers:
 - a. Judges' preference, defined as which of the tied entries has more preferred (lower) ranks than the other(s).
 - b. Reciprocal fractions.
 - c. Adjusted cumulative rank total after dropping highest and lowest ranks.
 - d. Judges' preference of adjusted cumulative rank total.

- e. Reciprocals of adjusted cumulative rank total.
 - f. Rank by the parliamentarian.
5. It is anticipated that 6 to 8 students from each preliminary chamber will advance to the semifinal chambers. However, the number is again subject to the number of students debating in the preliminary sessions and the number of students desired in the semifinal chambers. There will be four semifinal chambers.

THE SEMIFINAL CHAMBERS

1. Advancing students shall be assigned to one of three or four semifinal chambers with an effort made for geographical distribution. Students from the same schools will be placed in different semifinal chambers whenever possible. The students will elect a Presiding Officer after nominations in the manner described for the preliminary sessions.
2. The legislation to be debated in the semifinal chambers has been selected by the tournament staff. Any request to change that list must be made to this staff.
3. There are no authorship speeches in the semifinal chambers. Any student may give a first sponsorship speech. That speech will be followed by two minutes of questions and all other speeches will be three minutes in length followed by one minute of questions.
4. The chamber will meet as a committee of the whole to choose the order in which the legislation will be debated.
5. A qualified parliamentarian shall be assigned to each semifinal chamber. The parliamentarian should allow the chamber to run itself and correct only significant errors or procedures that effect fairness within the chamber. Of course, the parliamentarian is the final judge of all procedural matters.
6. Two to three scorers will be assigned to the chamber who will be responsible for evaluating the participants' speeches. Again the scorers should rate the students as –legislators‡ and not merely as –speakers‡. Guidelines are described on the ballot.
7. All individuals participating in the semifinal chambers that do not advance to the final Congress will receive a semifinals award.

STUDENT SELECTION TO THE FINAL CONGRESS

1. The Parliamentarian and the Scorers will select the students who break to the Final Congress using preferential ballots.
2. Four to six students will advance from each semifinal chamber to the Final Congress based on a preferential ranking of the ballots. The number of students advancing is dependent on the number of chambers and the optimum number of students in the Final Congress.

THE FINAL CONGRESS, THE RESOLUTIONS AND AWARDS

1. The advancing students shall be assigned seats in the Final Congress. The Final Congress will consist of no less than 15 students.
2. The Director of Congress will act as the temporary presiding officer of the Final Congress and will accept nomination speeches for the Presiding Officer. The members will vote immediately for one nominee after each nominee has the opportunity to address the chamber.
3. Any member of the Final Congress can be elected as the Presiding Officer after nominations from the floor. The PO must be elected with a majority of the vote of the members with each having a single vote.
4. Three to five Scorers shall be assigned to the Final Congress. An attempt will be made to make the panel geographically diverse with no members being from the same school as any of the students in the Final Congress. At the end of the session each scorer will rank all the debaters in the final session using a preferential ballot.
5. The Parliamentarian shall be assigned to the Final Congress. The Parliamentarian evaluates the overall performance of legislators, scores the performance of the Presiding Officer, and ensures regular order and fairness in the chamber.
6. The top ten legislators in the Final Congress will receive awards at the awards ceremony following the Final Congress. Preferential ranking by the scorers will choose the ten. The Presiding Officer may be ranked.

DECORUM AND BEHAVIOR

- No eating or drinking (excluding water) by contestants.
- Inappropriate language will not be allowed.
- Electronic devices (such as iPads, laptops, etc) are allowed but participants may not electronically retrieve any information not already saved to their device before the chamber started.
- Disrespect or misuse of the facilities or furnishings will not be tolerated.
- Keeping in mind that these chambers are open for public viewing, appropriate behavior is expected at all times.
- Unsportsmanlike behavior will not be tolerated.
- Consequences for infractions may result in any or all of the following actions by the Congressional Debate tournament staff:
 - Disqualification from the tournament
 - Loss of participation points
 - Forfeiture of awards
 - Schools will be held financially responsible for all damages incurred
 - School administrators being notified of any misconduct
 - Any additional consequences deemed appropriate to the severity of the infraction
- Judges in each chamber will be responsible for enforcement of the rules.

TOURNAMENT INFORMATION – I.E. PARTICIPANTS/JUDGES

(Attea Middle School Campus)

1. NSDA rules will be used for all events. Notebooks may not be used in Duo.
2. Time limits for OO, DI, HI, Duo and POI are 10 minutes maximum. The time limit for Extemp is 7 minutes.
3. Food will be provided Saturday and Sunday mornings and Saturday and Sunday afternoons for student purchase in the Student Cafeteria (ground level). You may not enter Attea with food purchased commercially. Food should not be taken in to the classrooms or the hallways.
4. **There can be no smoking anywhere on the Attea Middle School campus. It is smoke-free! If you must smoke, leave school property (by crossing the road).**
5. The Coaches' Lounge will be on the ground level in A104 next to the cafeteria.
6. The Tab Room will be located in B114 on the ground level. It is closed to all students. However, if coaches have any questions, they should contact Mr. Davis.
7. Please do not remove any furniture from any of the rooms.
8. If you have an emergency, please contact Mr. Thur (Saturday) or Mr. Pipkin (Sunday) of Glenbrook ISD, who will be primarily located at concessions area in the Student Cafeteria.
9. All rounds are open to authorized guests of the tournament.
10. Between 24 and 28 (inclusive) competitors will advance to the quarterfinals in all categories, based on cumulative ranks. Reciprocal fractions will be used to break ties, if necessary. Twelve students will advance to the semifinals, and six students will advance to the finals. Awards will be presented to all those who reach the elimination rounds.
11. Please do not loiter in the building after rounds on Saturday evening or after you have been eliminated on Sunday; if you are not watching rounds, you should be in the Student Commons or with your coach. **Remove all materials from the building Sunday evening – there are classes in this school Monday morning.**
12. Schematics for Round I will be available at 7:45 a.m. Subsequent round schematics will be posted in the Student Commons. Please congregate in this room after rounds. Do not loiter, sit, stand, etc. in the halls or in classrooms. Please be prepared to move to rounds immediately after the schematics are distributed.
13. The Extemporaneous Speaking Preparation Room is the Library (B202) – located on the second floor. You may leave materials overnight, but we are not responsible for them. Please remove all materials Sunday evening. We will be following NSDA guidelines and rules in regards to the use of laptops in the extemp prep room. The 2015 Glenbrooks is not responsible for providing electrical power for your laptops – please bring them charged.
14. Please use trashcans provided in each classroom and in all hallways. Do not leave trash on the floor. Clean your table in the cafeteria.
15. Coaches/school judges should be available for all prelims and elims. Missing preliminary assignments will result in all your students being ranked last in the round you miss. Missing elimination assignments may prevent your school from receiving future invitations to the tournament. Hired judges are expected to stay until released by Mr. Davis. Each student deserves the best judging possible and this can only occur if everyone reports to the rounds assigned.
16. **Judges should obtain ballots from a table in the student cafeteria located on the ground floor. All judges should report for Round I at 8:15 a.m. Subsequent assignments will be posted on the windows in the Student Cafeteria area. Judges not assigned should stay on standby until released by tournament staff.**
17. **At the end of each round, ballots should be returned to the same table where they were obtained.** Judges must be careful to return each ballot at the end of each round. Please don't leave with your ballot in your briefcase on Saturday evening. No oral critiques.
18. Please do not delay in going to your rounds. The tournament will stay on schedule only if your rounds start on time. Hopefully, a reasonable amount of time has been built into the schedule this year; please don't abuse it. Remember that many students are double entered. Be reasonable with these contestants.

19. Please understand that because so many students are cross-entered in two events scheduled to take place at the same time, it was extremely difficult for the computer to place them in totally satisfactory speaker positions. In some instances, a student in two events scheduled at the same time may be first speaker in one event and third or fourth speaker in another; or fifth or sixth in one and eighth in the other. Tell your students cross-entered during a particular time slot to go to the room in which they are listed to perform earliest. As soon as they finish performing, they should excuse themselves and go to the room in which they are to perform next.
Example: Joe Smith 9:45 am time slot 1st in Humorous 4th in POI
Go to Humorous room first, perform, then leave and go to the POI room to perform. Performance position for cross-entered students is not the contestant's choice. If one Duo partner is cross-entered in the Duo time slot and the other is not, the non cross-entered partner should go to the Duo room and wait for the partner to arrive so the judge knows what is going on.
20. Students should be sure that each judge knows their names when they perform. If there are no-shows or the performance order gets confused somehow, judges can mix up names on ballots.
21. Contestants should clarify with the judge how time signals will be given in the round.
22. The Awards Assembly will be at 4:30 p.m. in the Attea cafeteria.
23. We reserve the right to move the schedule forward or backwards as needed to guarantee the smooth running of the tournament.
24. Ballots will be available once the final round begins for those schools with no finalists. Otherwise, they will be available after awards. All unclaimed ballots will be brought back to the Renaissance North Shore on Sunday evening and left outside of the ballroom, where they will remain until the conclusion of the tournament on Monday. No ballots will be mailed. Further, result packets in all events will be posted on Joy of Tournaments as soon as possible.
25. The Extemp Prep Room is in the Library on the second floor. Extemporaneous speaking topics will follow the categories below for each round at this year's tournament:
Round I- International Hotspots
Round II- The 2016 US Election
Round III- US Foreign Policy
Round IV- International Economics
Quarter-Finals- US Economics
Semi-Finals- International Relations
Finals- US Social Policy
