Why CBI?

Why attend the Champion Briefs Institute?

Staff: Our instructors are some of the most qualified and knowledgeable educators, coaches, and alumni in the country. We maintain a 1:4 staff to student ratio (the lowest of any camp), which creates a personalized experience for every student.

Curriculum: Our innovative curriculum includes event-specific seminars, activities, drills, and 1-on-1 coaching but our focus on critical thinking and public speaking skills is truly unique. Students will not just become better competitors, they'll become better speakers, thinkers, and community members.
