Substitutions may be made the morning of the tournament.

Fees: Single entries are \$6.00 per entry. (Duo teams are \$12.00 each.)
NOTE: We will also be offering special **Trithon** awards to help acknowledge students who compete in three or more events.

We will recognize the top ten in **Trithon** and coaches can register students for this as a separate event, though it will not count towards team sweeps or count as one of the four events students can do. (Each students top three events will be used.)

Judges: Each school is asked to provide one judge for every six entries or the portion thereof. Again, there will be a \$35.00 fee assessed for every judge we must provide for you; dropped judges result in a \$60.00 fee. (We would much rather have your judges than your money!)
