

# A Resolution to Amend the Constitution to Abolish the Electoral College

1   **WHEREAS,**   Multiple presidents have been elected into office without gaining the popular  
2                   vote; and

3   **WHEREAS,**   This has led to millions of people losing any form of voice in the presidential  
4                   election; and

5   **WHEREAS,**   Abolishing the Electoral College would lead to equal voting power for everyone  
6                   across America, and would stop the election from being decided by a few 'swing'  
7                   states now, therefore, be it

8   **RESOLVED,**   That the following article is proposed as an amendment to the Constitution of  
9                   the United States, which shall be valid to all intents and purposes as part of the  
10                  Constitution when ratified by the legislatures:

11                         **ARTICLE ---**

12                         **SECTION 1:** With the passing of this amendment, the Electoral College  
13                         shall hereby be abolished and the electoral process shall be determined  
14                         by the national popular vote.

15                         **SECTION 2:** The Congress shall have power to enforce this article by  
16                         appropriate legislation.

# **A RESOLUTION TO REAFFIRM AMERICA'S COMMITMENT TO THE IRAN NUCLEAR DEAL**

1   **WHEREAS,**    The United Nations, the International Atomic Energy Agency, and the U.S.  
2                    Department of State have all found that Iran is in compliance with the  
3                    international agreement to suspend its nuclear weapons program; and

4   **WHEREAS,**    If the U.S. were to pull out of the agreement, sanctions could not be effectively  
5                    reinstated as none of our allies or other countries have shown any willingness to  
6                    join us in so reinstating them; and

7   **WHEREAS,**    Reneging on the Iran deal without reason would severely tarnish the full faith &  
8                    credit of the United States, as other nations could have no confidence that any  
9                    agreement with the U.S. would survive the beginning of a new Presidential  
10                   administration; and

11 **WHEREAS,**    Pulling out of the agreement would have the effect of giving succor to hard-  
12                    liners in Iran's government and serve to weaken the only incentive Iran has to  
13                    keep its nuclear program defunct; now, therefore, be it

14 **RESOLVED,** That the Student Congress here assembled shall not renege on the Joint  
15                    Comprehensive Plan of Action (aka "the Iran nuclear deal") by re-imposing  
16                    sanctions against Iran.
