Dear Thornton Junior High School,

This letter is to inform you that our academic institution has no objection to our student participating in the 2018 Thunderbolt Invitational. We understand that Thornton Junior High School (TJHS) has required an adult supervisor to remain with the students at all time, and TJHS is not required to provide any chaperone at any time. We also understand that the adult chaperone has accepted all responsibility and liability of the student during this event.

We affirm that our institution is not entered in this tournament in any way, and the independent entry is truly independent.
