Owen Cornell

Bio: Hey GKU! My name is Owen Cornell, a goalkeeper for the University of Notre Dame in NCAA DI. I am a psych major with a passion for sports-psychology, and as such I want to make a difference helping younger goalkeepers reach their potential. My journey through academy and into college has certainly not been smooth sailing (it certainly isn't now I might add), but I hope that I can be of some help to shine a light on the difficulties that high level goalkeepers face. My goal is to be a resource for goalkeepers looking to play at the next level, and I hope that I can help each and every one of you guys be the best goalkeepers you can be!

Office Hours this week (Monday 10/16)

Monday: 12-2 EST

Wednesday: 7-9 EST

Thursday: 12-2 EST

Purpose of Office Hours:

My office hours are opportunities for me to connect with goalkeepers 1 on 1 to discuss the concerns/difficulties/struggles they face within the game. Whether it's confidence, performance, recruitment or something completely different I'm here to share my experience and my recommendations on how to get through it and get back to your best!
