Abundance Acceleration Tips

- Pay Attention to Codes whenever they appear! No matter how or where you see any numbers or letters, take note and interpret them.
- Any number that is *repeated over time* holds special significance to you - **your guides and the universe are wanting your full attention now.**

Abundance Acceleration Tips

- Don't be afraid if you see challenging numbers! Everything is feedback - and a **challenging number can be the BEST feedback of all**, since it specifies precisely how you can *course-correct*.
- **BE PRESENT. Don't ignore any signs.** Numbers are the easiest signs in the universe we have. Now that you know how to interpret them, you are set for life to increase and accelerate Abundance!
