Phone Numbers

- We will look at all abundance phone numbers as they pertain to both **personal** and/or **business** use.

Abundance Phone Numbers

- Any phone number that reduces to a single digit of **1, 2, 5, 6, 8** or **9** can help to accelerate abundance - however, in quite different ways.

- A phone number that reduces to **1** is a strong, direct number that magnifies your personal power and helps you influence others, so it is good for business and career
- **1** numbers should not be used if you give one-on-one consultations.
- **1** numbers are not as recommended for personal use, especially singles searching for a partner - it can be self-oriented and lacking in sensitivity and awareness.

- A phone number that reduces to **2** is good for service oriented businesses and personal use, as it magnifies beautiful listening, sensitive give and take, cooperation and tact.
- **2** phone numbers are good for singles seeking a partnership.
- If your business specializes in sales or leadership coaching, this number is not as recommended.

- A phone number that reduces to **3** is good for creative people - but not as recommended for abundance acceleration, since it can lead to long (creative) calls which can lack focus and distract.
- **3** numbers appeal to artists and younger people. This number attracts inspiration, originality and fun. It also makes you socially 'popular' and attractive to others.
- **3** phone numbers are not good for businesses or people with strong goals and the initiative to manifest.

- A phone number that reduces to **4** attracts stability and is good for families. It favors a grounded, dependable and reliable setting.
- This phone number does not attract abundance acceleration, however it will resonate well with businesses that do any kind of planning or bring order - such as accounting firms, law firms, and businesses that thrive on trust and solid reputations.

- A phone number that reduces to **5** brings unpredictable calls. On the other hand it is great for selling and sales. It also favors taking risks and taking an unconventional approach which furthers freedom.
- **5** phone numbers will magnetize people to you and bring a lot of calls - yet that can also lead to distractions and instability. It is not recommended for families since it does not favor responsibility.
- **5** phone numbers are not recommended for service related businesses.

- A phone number that reduces to **6** is a great family and partnership number. Your calls resonate with warmth, love, caring and protection strengthen friendships. Great for mentoring and consultations.
- **6** is a good business number and invites abundance acceleration. It is not recommended for people who want to be single or want peace and quiet.

- A phone number that reduces to **7** is will manifest in deeply spiritual and philosophical conversations, so this number is good for deep thinkers, students, and investigators. It enhances mental capacities.
- However, this number is not recommended for business or abundance acceleration.
- **7** phone numbers are also not recommended for people who seek companionship or have families, since it favors the single person or loner.

- **8** is one of the best possible phone numbers for any business. This goes for business addresses as well.
- **8** phone numbers tend to attract money and loyalty and are good for improving careers. This number is good for ambitious and motivated people.
- Aligned with the practical visionary and manifesting on a practical plane, 8 is not as aligned with seeking spiritual growth.

- **9** is a good phone number for both personal and business use. It favors compassion, love and leadership through service. Good for service or health oriented businesses.
- **9** is aligned with abundance acceleration and may bring unexpected financial windfalls.
- **9** phone numbers are aligned with higher wisdom and giving something back - unconditional love.
