## Degree Number Intensifications

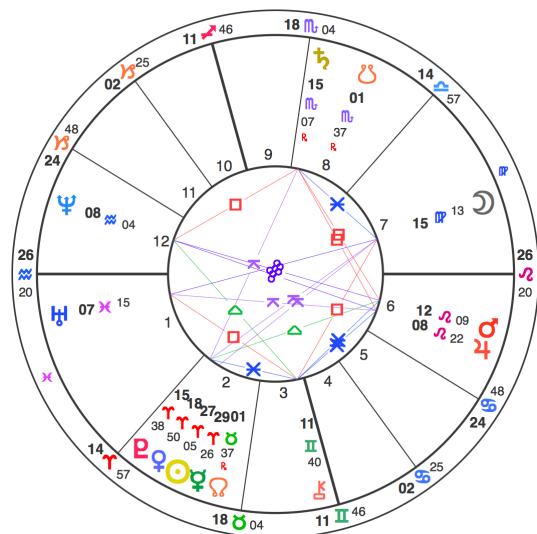

- Make note of any number that **repeats**. Pay attention to double digits that repeat as well.

## Degree Number Intensifications

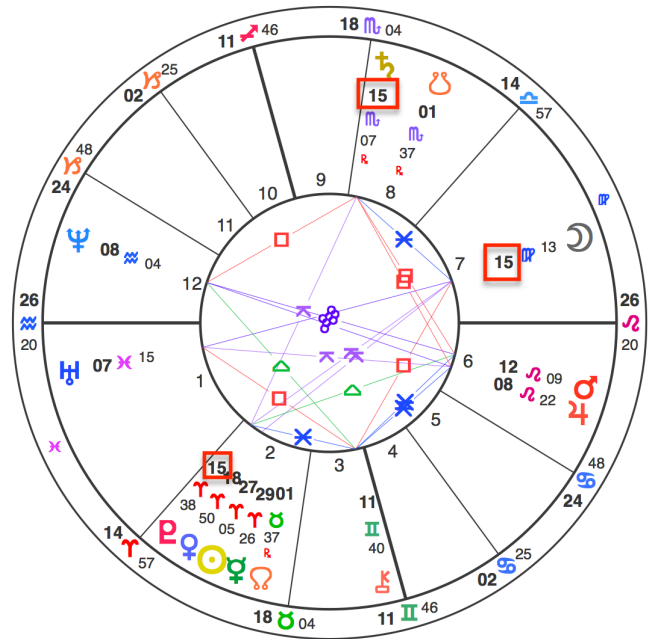

### Important:

- The degree numbers for the two Lunar Nodes ♁ ♋ are counted **only once**.
- The degree numbers for *houses that are opposite each other* are only counted **once**.

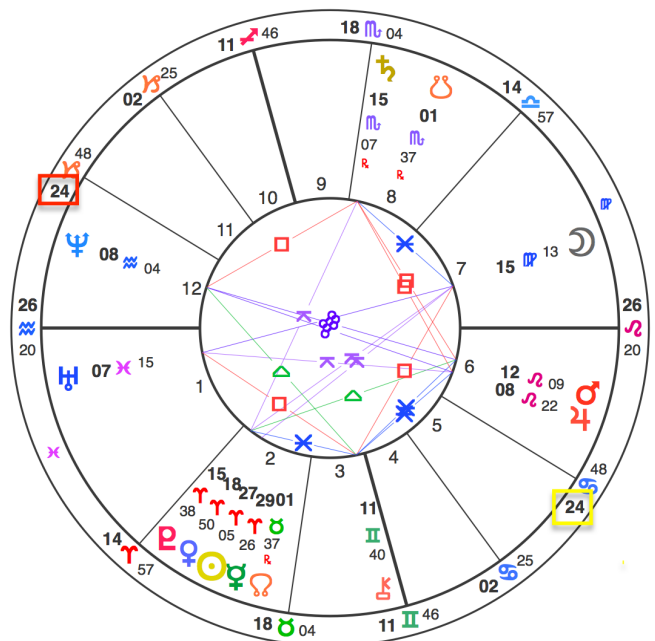

J.P. Morgan:

- One quick glance shows Morgan has the number **15°** repeated **three times** in the inner circle!

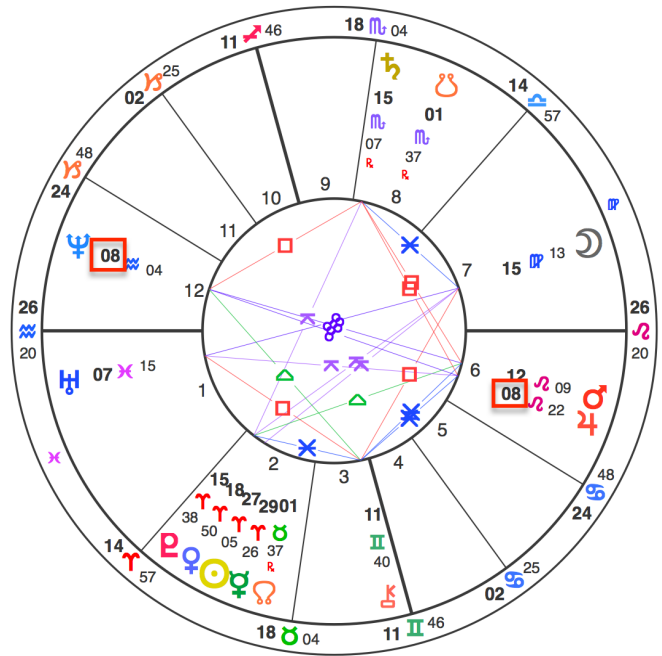

J.P. Morgan:

- 15 reduces to the root number **6** ( $1+5 = 6$ ), so look for any other **6°** or **24°** degree numbers in his chart.

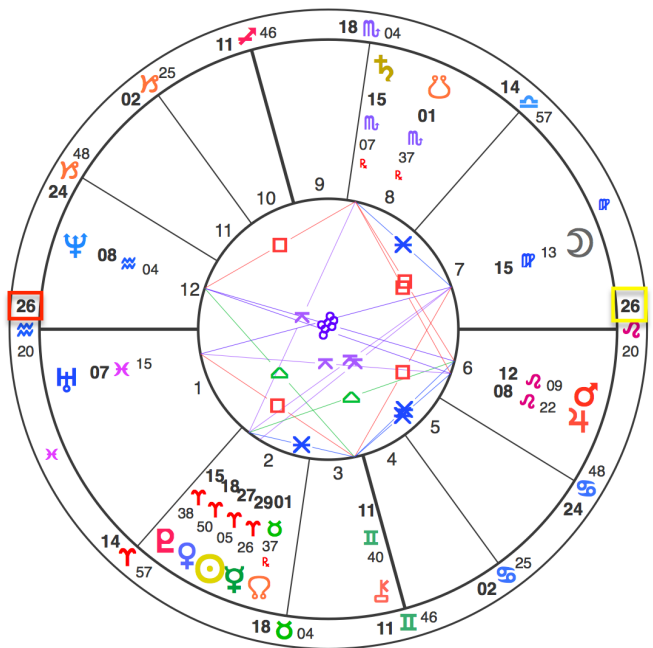

J.P. Morgan:

- In the Inner Circle the number **8°** is repeated **two times**.

J.P. Morgan:

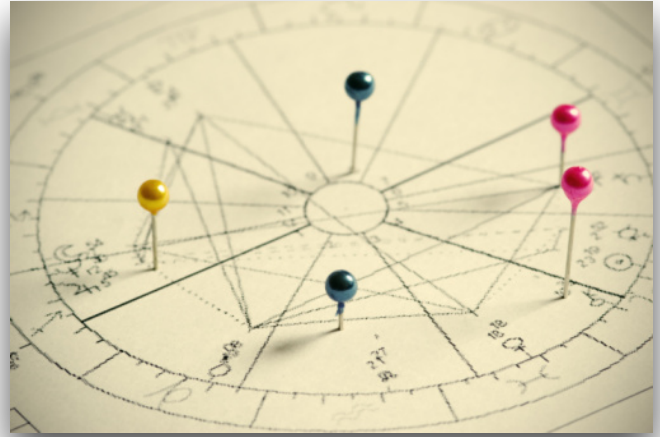

- Look for any degree numbers **17°** or **26°** that also reduce to **8** - creating an intensification.

## Degree Number Intensifications

- Now it's time to make note of any number that **repeats** in YOUR astrology birth chart!

## Degree Number Intensifications

The easiest way to find repeated numbers:

- Write down every degree number in the outer perimeter circle (there are only 6 - opposite houses are not counted). Then do the same for the inner circle.
- Reduce all double digits to a **single digit**.
- Find all **repeated numbers** - these are intensifications!

## Birth Number Intensifications

In Module 1 you learned how each your three important birth numbers attracts abundance.

- Now discover if any of your three birth numbers are *repeated* in your astrology chart - an **intensification** of that number's meaning in your life.
