KEEP BELIEVING, STUDYING, TEACHING, WORKING, HOPING, TRUSTING AND LET YOUR LIGHT SHINE

“ For
know
plans I have for you, declares the LORD, plans to prosper you and
not to harm you, plans to give you hope and a
future.” Jer. 29:11

“What, then, shall we say in response to this? If God is for us, who
can be against us?” Rom. 8:31

Living in this world we can get knocked around at times or disap-
pointed when things don’t go as we planned. When you do, keep
looking to God for direction, and get up and keep going. Two things
will happen, you will be strengthened and as you continue to let your
light shine, others will be encouraged by your example.

DON'T EVER GIVE UP!

ELDERS' COMMENTS

Change becomes necessary sometimes in the work of the local church. Expediency, circumstances, and judgment may demand change in order to do what is best for the Lord's work. God expects us to use wisdom in making these changes. Such was necessary in the decision our brother Scott Richards made in resigning as our full-time minister at Tara. His letter to the congregation explains his situation, and the elders understand and accept it. His mission efforts are Tara's efforts, and we support him prayerfully and financially just as we do all our missionaries. Tara is blessed to have brother Michael Hollis step up to do more of the work Scott has been doing, especially teaching and preaching. We also need more members to help in areas where we can assist. By doing so, God will continue to bless us in our individual and congregational growth.

Beloved Brothers and Sisters,
Tara has been a big part of my life and in my heart for the past 32 years. My family and I first came to work with the church here on the first of September 1991, and we have been associated with this good congregation off and on during that time even following my departure from the pulpit in February of 2000. Your love for my wife, my children and I has left an indelible impression upon us all.
Over the past year past year, I have been serving in the capacity of minister of the church here at Tara. At the same time my duty to the mission works begun by brother Jim Waldron over fifty years ago have taken up a good deal of my time and attention. During this period, it has become apparent to me that the mission work requires more of my time and attention than was anticipated at the start of 2023. Currently, it is best for me to concentrate my efforts on the work of training men to preach in the countries which I am currently working in overseas.
Consequently, as of October first I will no longer be a minister of the congregation here at Tara. In my place brother Michael Hollis along with brother Alfred Barnes will serve as pulpit ministers in a joint capacity. While I will no longer be the minister of the congregation. I will continue to serve as one of the elders of the flock which worships here in Jonesboro. My prayer and desire will always be that the church at Tara grows and thrives in the work of our Lord and Savior.
In Christian Love,

Scott Richards
