tasty live Mobile End-User License Agreement (Updated 02/13/2023)

1. General:

This End-User License Agreement (“EULA”) for the tasty live mobile application (the “Licensed Application”) is made between tasty live, Inc. d/b/a tasty live (“We” “Us” and “Our”) and the end-user (“end-user” or “you”). We are solely responsible for the Licensed Application and the content thereof. We reserve all rights not expressly granted to the end-user. This EULA may not provide for usage rules for the Licensed Application that are less restrictive than the Usage Rules or otherwise be in conflict with the Usage Rules set forth for the Licensed Application in the App Store Terms of Service or Google (k/n/a Alphabet) Play Terms of Services as of the Effective Date of this EULA.

To use the Licensed Application you must accept this EULA and the tasty live Terms and Conditions. In the event of a conflict between this EULA and the tasty live Terms and Conditions, the terms of this EULA will prevail, but only with respect to such conflict.

Content

The Licensed Application gives end-users the ability to view live and previously recorded content that is produced on the tasty live network. The purpose of this content is to educate and entertain Our viewers. We demonstrate market trading techniques and strategies, focused primarily on options, that are designed to give end-users the skills and confidence to manage their own investments.

Trades

The Licensed Application gives end-users the ability to see trades made during a trading day by tastylive show hosts (each a “Trader” or collectively, “Traders”) (previously known as “Bob the Trader”). The trades of each Trader represent the opinions of solely that Trader as expressed on the applicable tastylive show and in the Trader’s trades. Any such opinion may have been expressed by the Trader previously. The trades do not reflect the opinions of tastylive or its affiliated companies. The opinions expressed by the Traders are not intended to influence you to make a particular trade or follow any specific trading strategy. Neither tastylive nor the Traders are implying that any of the traders are suitable for you. The trades are being disclosed to you for educational and informational purposes to give you a real-time view of the types of trades that are discussed by the Traders on their tastylive shows. tastylive does not warrant the accuracy of any comments or information disseminated by the Traders on their shows and you should not rely on such information and the related trades. The Traders’ opinions on the market and on specific securities and trading strategies are subject to change without notice. tastylive does not compensate the Traders based on the profitability of their trades.

None of the Traders or tastylive guarantee any particular results or profits from the trades. The risk of loss in trading securities, including options and equities, is substantial. There is a risk of loss in all trading and investment strategies that are discussed on tastylive and that are represented by the Traders’ trades. When trading options, you may lose more than your initial investment. Options trading is not suitable for all investors. The trades may not be suitable for you and do not take into account your particular financial situation, your investment objectives or your personal circumstances. None of the trades are being recommended to you. The trades are for educational and informational purposes. Before engaging in any trading based on any information you receive from the Traders or tastylive, you should conduct an independent analysis to determine whether the trades are suitable for your circumstances. If you are unsure about how trades you may make will affect your overall financial portfolio or the level of risk that is involved, you should consult with your financial adviser prior to making those trades.

14. Except as otherwise set forth in this EULA with respect to Apple and Google, these Terms and Conditions are not intended to benefit any third- party, and do not create any third- party beneficiaries.
