

RECYCLE BRITA® FILTERS & PACKAGING!

Every year, countless Brita® filters and pieces of packaging end up in dumpsters and landfills across Canada. We are working with **TerraCycle®** to put an end to this enormous loss of resources.

The Brita® Recycling Program allows us to recycle these items and prevent them from ending up in landfills.

And not only are you helping the environment, but the waste you recycle with us have the potential to earn funding for a school or organization. When shipments are larger than 3 pounds, **we receive \$1 for each pound of waste.**

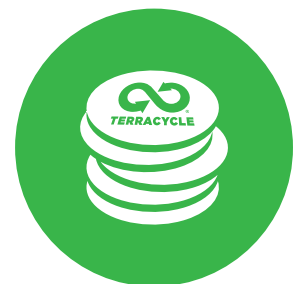

Drop off your
waste at...
