

THE WELEDA® PLASTIC RECYCLING PROGRAMME

ACCEPTED WASTE

All Weleda® Soft Touch Plastic Tubes

See the picture above for what you can recycle through this programme. Every time you empty a Weleda® soft touch plastic tube, save the packaging and send it in to TerraCycle® to be recycled.

Accepted Waste:

All Weleda® Soft Touch Plastic Tubes, including:

- Skin Food Original and Skin Food Light
- Beauty Balms
- Body Washes/Shower Gels/Body Scrubs
- Sunscreen and After Sun Lotions
- Lip Balms
- Hair Care
- Mini & Travel Size Soft Touch Plastic Tubes

Waste that is NOT accepted:

- Any other brand of beauty care packaging
- All cardboard, glass, aluminium and rigid plastic packaging as these can be recycled via your local council facilities
- All Weleda® packaging that is not a soft touch plastic tube
