

Terms and Conditions - UK

Contest general information

- The Contest is run by TerraCycle® (Promoter) and available to anyone with a Facebook, Instagram and Twitter account. The Contest is not sponsored by Facebook, Instagram or Twitter.
- The #KeepOnRecycling Global Contest is open to 16 countries (USA, Canada, United Kingdom, Ireland, France, Belgium, Netherlands, Germany, Denmark, Sweden, Norway, Spain, Brazil, Australia, New Zealand, China). In the UK, only individuals in Northern Ireland, the Isle of Wight and the mainland can participate, excluding Promoter's employees, their families, their agents or anyone else connected to the Contest.
- The Contest will open on 14:00 (UTC+1) 17th April 2020 and close at 17:00 (UTC+1) on August 27th 2020 (Contest Period).

How to enter

- To enter the Contest, people need to submit a message, video or photo to explain how they collect TerraCycle® waste or share their best advice for collecting waste. Entries only qualify if they are collecting TerraCycle® waste (accepted waste that TerraCycle® UK has a free recycling programme for) and it is shown or detailed in the publication for the entry to be permitted.
- The hashtag #KeepOnRecycling must be included in and @TerraCycleUK must be tagged to be entered into the contest.

Contest rules

- Only original publications count in the contest. When a post is displayed as a retweet or a share from a different person, this post doesn't count. If it is not clear on Facebook that it is a repost from Instagram, Promoter can count it as a new, separate entry.
- A publication with the same content can be posted on different channels. In this case, it is not a share or a repost and Promoter can count it in the contest as separate entries. The likes will not be combined.
- If the #KeepOnRecycling hashtag is typed without capital letters, the entry will still be valid.
- The Promoter accepts no responsibility for entries not successfully completed due to a technical fault or malfunction, computer hardware or software failure, satellite, network or server failure of any kind.
- Entrants must have a TerraCycle® account to be able to receive prizes. This is not a condition to enter the Contest, as long as the entrant does create an account to receive prizes (if won).
- If the successful entrants do not provide necessary TerraCycle® account details for TerraCycle® to award them with points before 17:00 (UTC+1) on 11th September 2020, the entrant cannot claim the prize and the next best participant will be selected as the new winner.

- No alternative prizes in whole or in part will be given to the winners to replace the TerraCycle® points.
- By entering the Contest, entrants agree to be bound by and are deemed to have read, understood and accepted these Terms and Conditions. The Promoter reserves the right to remove any participants not complying with these Terms and Conditions, the law or whose behaviour is considered by the Promoter as dishonest or fraudulent.
- By entering the Contest, the participant consents to TerraCycle® showing their Social Media account name in communication materials if they win a prize.
- In case of a breach of these Terms and Conditions by a participant, TerraCycle® may comment on the post (given it is possible due to the entrant's privacy settings) to inform such participant and remove the entry from the Contest.
- The Promoter reserves the right to suspend or amend the Contest where it becomes necessary to do so for reasons outside of the Promoter's control.
- This Contest and any issues, disputes or claims arising out of or in connection with it (whether contractual or non-contractual) shall be governed by the laws of England and Wales and the participants submit to the exclusive jurisdiction of the English courts to settle any disputes or claims arising out of or in connection with the contest.

The prizes, selecting and announcing the winner

- There are 2 ways to win prizes and they are divided into separate categories. People can make as many posts as they would like, to be considered for the number of likes and the creative prizes.

1) Prize category 1: the 100 most liked publications complying with these Terms and Conditions will win TerraCycle® points. Participants will only be entered once they have reached a minimum of 250 likes on the publication. If someone has a post less than 250 likes, they will not be eligible for the prizes. Prize details: 1st = £1,600, 2nd = £800, 3rd = £400, 4th to 100th = £80. Entries into the contest will be recorded and monitored by the Promoter's Social Media Team.

Entrants must submit a screenshot (taken before the closing date 27th August 14:00 UTC+1) to prove their publication had met the requirements to win the prize. In the screenshot, the time and date must be visible to be valid. This must be sent to the TerraCycle® Customer Support email address at customersupport@terracycle.co.uk by 17:00 (UTC+1) on 31st August 2020 at the latest.

The publication's number of likes shown in the screenshot by the entrant will be taken into account. Once this has been received and cross-checked with the live publication, the successful participant will be contacted via email or social media and receive the prize within 20 working days. Any publication that is not meeting the criteria as outlined earlier, not following the above process or that is considered as fraudulent or dishonest by TerraCycle® will not be accepted.

If the participant does not provide a screenshot by the deadline (17:00 UTC+1 on 31st August 2020), they will not be considered eligible to claim the prize and it will then be made available for the next eligible participant. In case there is a tie with the number of likes, the publication that was posted the first will be selected. TerraCycle® will then review screenshots and prize distribution before finally announcing the top 3 winners in a Social Media post on the TerraCycle® Social Media platforms on Friday 4th September 2020.

The TerraCycle® Social Media team will comment on the posts (permitting they have the ability to do so given the participant's privacy settings) that have placed 4th - 100th to let them know they have won and request the necessary TerraCycle® account details for TerraCycle® to award them with points. Winners will receive their TerraCycle® points within 20 working days.

2) Prize category 2: £80 worth of TerraCycle® points given on a weekly basis (so £240 won weekly) to 3 entries for best content (most creative/interesting/good) until Sunday 23rd August 2020, with the last winners selected on Monday 24th August 2020. Creativity can be shown in either the visuals (photo/video) or it can also apply to a text. TerraCycle® reserves the right to choose the posts they find most creative and will do so in an impartial and objective way. In the event that less than 3 publications are entered in a given week, the remaining prize(s) will not be awarded. The entrants are selected by the TerraCycle® Contest Judging Team every Monday from the week before (14:00 UTC+1). The winners will receive their TerraCycle® points within 5 working days of being selected or announced and when TerraCycle's account details have been shared.

Out of the people who have won the weekly best content throughout the whole Contest Period are all considered to win the final prize in the category, £800 worth of TerraCycle® points. The winner will be selected at 14:00 (UTC+1) on Thursday 27th August 2020. The winner will be announced in Social Media posts on Friday 4th September 2020 and receive their TerraCycle® points within 20 working days.
