

RECYCLE WRITING INSTRUMENTS AND ART SUPPLIES!

Every year, millions of writing instruments and art supplies end up in dumpsters and landfills across the United States. We are working with **TerraCycle®** to put an end to this enormous loss of resources.

The **Dixon Classroom Recycling Program** allows us to recycle **these items** and prevent them from ending up in landfills.

And not only are you helping the environment, but the products and packaging you recycle with us has the potential to earn funding for a school or charity.
