

# Diaper Packaging Brigade® Spotlight Location

The Childcare Center at Hort Woods | University Park, PA

**People  
Collecting:**

**15**

**Units  
Collected:**

**2,209**

**Points  
Earned:**

**4,618**

## **Tell us about your collection location.**

We are a childcare center on the campus of Penn State University.

## **Why do you participate in the Diaper Packaging Brigade?**

To keep waste out of landfills, to teach the children in our care about recycling and to support our LEED Platinum school's philosophy and ideals.

## **How do you collect so much diaper packaging?**

We provide diapers and wipes for children in our care to use daily.

## **What tips do you have for other participants in the Diaper Packaging Brigade?**

Childcare centers are very likely to have a waste stream that includes these items.

## **Is there a specific tool or resource that you've created to help you collect and recycle diaper packaging?**

All classrooms in the building participate in the center wide TerraCycle efforts.

## **Tell us a story about your most exciting, memorable, or inspiring moment in collecting for the Diaper Packaging Brigade.**

The children love to count and sort the items. I think it's a great way to learn math and environmental stewardship skills!

## **What is the best or most influential thing you've spent your TerraCycle points on?**

A check for our school to purchase tools for teaching even more about recycling.

## **Is there a specific message that you would like to share with Huggies, the brand partner of the Diaper Packaging Brigade?**

Thanks for bringing this opportunity to our youngest environmentalists!
