UNACCEPTABLE WASTE: E-WASTE BRIGADE®

UNACCEPTABLE
WASTE

Tanks are ink holders and are not accepted through this program. They are identified by the lack of a copper strip as shown above. The above picture is an example of a generic tank. All tanks have a port to evacuate ink to a print head. Some tanks may have a small copper pad, but will not have a copper nozzle strip.

Also, please do not send in any of the items shown below. You will not earn TerraCycle points for these items and they will not count towards the 20-item shipment size requirement to earn TerraCycle points.

ACCEPTABLE INKJET AND TONER CARTRIDGES: E-WASTE BRIGADE®

1. This program accepts inkjet cartridges from HP and Canon printers only.
2. Please read the list below to see which toner cartridges are accepted.
3. Please do not send ink tanks, ribbons, tubes, bottles, or remains. Review the list of unacceptable waste for more information.
