

2016-2017

Application for ECHS Designation

ECHS Applicant: Pasadena ECHS (PECHS)

Application ID: 125375511

The following benchmarks are the minimum required components that must be demonstrated through this application in order to be designated as an Early College High School. Please check the box by each requirement to indicate that the ECHS understands and will comply with the requirement. Application information that contradicts these assurances, or evaluation information that indicates that the required provisions are not being met, could result in a campus being denied designation.

I. Target Population:

The Early College High School shall serve, or include plans to scale up to serve, students in grades 9 through 12 and shall target and enroll students who are at risk of dropping out of school as defined by the Public Education Information Management System (PEIMS) and who might not otherwise go to college.

1. The ECHS recruitment and enrollment processes and requirements shall not exclude or discourage the enrollment of any of the subpopulations of at-risk students (as defined by PEIMS), including, but not limited to, students who are of limited English proficiency or who have failed a state administered assessment. Enrollment decisions shall not be based on state assessment scores, discipline history, teacher recommendations, or minimum grade point average (GPA).
2. The ECHS shall identify, recruit, and enroll subpopulations (in addition to those who are at risk as defined by PEIMS) that are historically underrepresented in college courses (e.g., first generation college goers, students of low socioeconomic status, African American, Hispanic.)
3. The ECHS shall clearly document recruitment and enrollment policies and practices, refining and improving them annually based on data reviews.
 - a. The ECHS shall make available to TEA their annual recruitment and enrollment policies and data.
 - b. Recruitment and enrollment processes (including marketing and recruitment plans, materials, and timelines) shall include input from key stakeholders; target appropriate student populations; and include regular activities to educate students,counselors, principals, parents, and school board and community members.

II. Partnership Agreement:

The ECHS must have a current, signed MOU that:

1. defines the partnership between the school district(s) and the IHE(s) and addresses topics including, but not limited to, the ECHS location; the allocation of costs for tuition, fees, textbooks; and student transportation,
2. states that the school district or charter in which the student is enrolled shall pay for tuition (for all dual credit courses, including retakes), fees (including TSI administration fees), and required textbooks to the extent those charges are not waived by the partner IHE;
3. defines an active partnership between the school district or charter and the IHE, which shall include joint decision-making procedures that allow for the planning and implementation of a coherent program across institutions; and
4. includes provisions and processes for collecting, sharing, and reviewing program and student data to assess the progress of the ECHS.

III. P-16 Leadership Initiatives:

The school district and institute of higher education (IHE) partners shall develop and maintain a leadership team that meets regularly to address issues of design and sustainability. Membership should include the Early College High School principal/director and individuals with decision-making authority from the district(s) and IHE(s).

1. The ECHS shall establish a leadership team that includes high-level personnel with decision-making authority who meet regularly and report to each organization. Regularly scheduled meetings must address the following topics:
 - Identifying the members and the role each member will play in the design, governance, operations, accountability, curriculum development, professional development, outreach, sustainability, and continuous monitoring and improvement of the ECHS
 - Reviewing the MOU for necessary revisions
 - Sharing responsibility (between the school district and the IHE) for developing annual reports to district and IHE boards that provide data, highlight successes, and outline plan for improvement
2. Meeting minutes and agendas shall be publically available.

IV. Curriculum and Support:

The Early College High School (ECHS) shall provide a rigorous course of study that enables a participating student to receive a high school diploma and an associates degree or at least 60 credit hours toward a baccalaureate degree during grades 9-12. The ECHS shall provide students with academic, social, and emotional support in their course of study.

1. The ECHS shall provide a course of study that enables participating students to complete high school graduation requirements and either an associates degree or at least 60 semester credit hours toward a baccalaureate degree. An academic plan must be in place showing how students will progress toward this goal. The academic plan must provide pathways to a baccalaureate degree (core curriculum) and must follow the courses and fields of study listed in the THECB Lower Division Academic Course Guide Manual. The ECHS is required to support students in their course of study.
2. The ECHS shall monitor student progress and report the number of hours completed per student, disaggregated by student groups.
- 3 The ECHS shall provide students with academic, social, and emotional support in their course of study.

V. Academic Rigor and Readiness:

The Early College High School shall administer a Texas Success Initiative (TSI) college placement exam (as defined by TAC Â§4.53) to all accepted students to assess college readiness, design individual instructional plans, and enable students to begin college courses based on their performance.

1. The ECHS shall provide a course of study that enables participating students to complete high school graduation requirements and either an associates degree or at least 60 semester credit hours toward a baccalaureate degree. An academic plan must be in place showing how students will progress toward this goal. The academic plan must provide pathways to a baccalaureate degree (core curriculum) and must follow the courses and fields of study listed in the THECB Lower Division Academic Course Guide Manual. The ECHS is required to support students in their course of study.
 - a. The ECHS shall implement a plan for TSI success, including academic preparation classes for accepted students, academic interventions for students who do not pass TSI, and assessments fee waivers for all administrations of the TSI test.
 - b. The ECHS shall report to TEA the dates the TSI is administered.
 - c. The ECH shall report to TEA the number of students who have currently passed each section of the TSI assessment, including a breakdown of TSI testing data for subpopulations of targeted students.

VI. School Design:

The ECHS must provide a full-day program (i.e., full day as defined in PEIMS) at an autonomous high school (i.e., a high school with a principal or program coordinator assigned 100 percent to ECHS responsibilities who has scheduling, hiring, and budget authority), an IHE liaison with decision-making authority, and a highly qualified staff with support and training.

1. The ECHS location shall be:
 - on a college or university campus, or

- in a stand-alone high school campus or in a smaller learning community within a larger high school.
 - ECHS campuses not located on a college or university campus must provide students with regular use (at least six times per school year) of college academic facilities.
 - ECHS campuses located in a smaller learning community within a larger high school must disaggregate required ECHS student data.
- 2. ECHS required staffing include:
 - a principal, or program director who has scheduling, hiring, and budget autonomy;
 - an IHE liaison with decision-making authority who interacts directly and frequently with ECHS staff and administrators; and
 - highly qualified ECHS teachers who within four years will be reporting only to the ECHS principal/director and teaching only ECHS students in all core courses.
- 3. The ECHS students shall be enrolled in ECHS-only sections for core classes.
- 4. ECHS shall implement an annual professional development plan based on needs assessment of student data.

ECHS Projected Enrollment: Show how the school has scaled up or will scale up by filling out the table below to indicate projected enrollment growth by year and grade level. If a grade level is not served, input 0 (zero).								
Grades of students to be served:	6th	7th	8th	9th	10th	11th	12th	Total Enrollment
2015-2016 enrollment	0	0	0	104	44	67	44	259
2016-2017 projected enrollment	0	0	0	120	99	40	63	322

The ECHS shall provide a course of study that enables participating students to complete high school graduation requirements and either an associates's degree or at least 60 semester credit hours toward a baccalaureate degree. Please indicate how students will progress toward this goal by completing the course crosswalk below. (Important notice about summer school: The 60 college credit hour plan must be fulfilled during the school year unless the ECHS is a year-round school or provisions are made to provide all ECHS students with access to the summer courses. Courses offered during the summer must be supplemental or available at other times of the year.)

*note: For dual credit courses, please indicate whether the course is taught by someone who is primarily IHE staff or ISD staff and whether the course is taught primarily in person or via distance learning.

Please indicate the endorsements that will be offered to students. The endorsements include: STEM, Business, and Industry, Public Service, Arts and Humanities, and Multidisciplinary Studies.

STEM
Business
Arts and Humanities
Multidisciplinary Studies
Arts and Humanities

Please indicate the associate's degrees that will be offered to students.

General studies

Behavioral Sciences

Business

Science

Mathematics/Engineering

Please indicate the Level 1 and Level 2 certificates that will be offered to students.

We don't offer level 1 and Level 2 certificates

Do the answers to the questions for Benchmark 4 meet the criteria for exemplar recognition, and would you like the TEA to consider your ECHS for this?

☒ Yes ☐ No

Please provide additional information about the exemplar activities related to this benchmark below.

Pasadena ECHS students will begin preparing for success by participating in a mandatory Bridge Program. The Bridge Program will provide an intensive focus in core subject areas based on individualized student need, college entrance exam preparation, and introductory college readiness skills. The Bridge Program builds the foundational academic and study skills needed for student success in rigorous college level courses.

All PECHS students will participate in the AVID (Advancement Via Individual Determination) program. Through the AVID program, students will develop academic behaviors critical for college success including organization, time management, note-taking structures, and individual and peer study skills. Students will also build “college knowledge” by learning about topics such as the college admission process and requirements, GPAs, transcripts, degree plans, class registration, and college grading practices. All students will participate in individual tutorials and peer study groups weekly, before/after school, during flexible Friday sessions, and on Saturday as needed. Students, teachers, and college tutors will utilize the AVID “Tutorology” methods in tutorial sessions to facilitate student responsibility in the learning process.

As AVID trained teachers, the PECHS staff will be prepared to fulfill the role of mentor/advisor for their students. Teacher mentors/advisors will meet individually with students to oversee their academic progress, monitor grading and matriculation decisions, and advice students on making positive post-graduation plans. Students and staff will also benefit from the guidance of a full time dedicated PECHS Counselor with the responsibility of providing academic and career counseling to support the PECHS students academically and emotionally. This counselor will create schedules for high school classes and will collaborate with the ECHS liaison to schedule the college courses. Every student will work with a college academic counselor or education planner. Tutoring is provided on the San Jacinto College campus for students who are struggling and in Pasadena High School. Periodically, Saturday tutorials are available as well as credit and grade recovery sessions through online courses.

Learning how to take good notes and read critically is important to the PECHS student’s success. Through the AVID (Advancement Via Individual Determination) program, students will acquire note-taking and critical reading skills.

Students enrolled in the ECHS will need support from home as well as school. A minimum of two parent meetings per semester will take place to share information about the program and how to support their student during the rigorous program. Teachers will communicate regularly with the parents concerning student progress. Through parent conferences, parents will also receive guidance on the individual needs of their child and how, as a parent, those needs can be met through their parental involvement.
