N/A

Describe the processes that the dual credit provider and the ECHS campuses monitor student progress, and determine when interventions are needed. How is this ECHS going to share data and monitor student progress and ensure student success?

Weekly grade reports from the IHE and students provide both the ECHS and the IHE the ability to monitor and address student performance. Communication and collaboration between the ECHS leadership and the IHE takes the form of communication with instructors, parent/student meetings with the ECHS leadership team, ECHS tutorials, AVID tutors, and intervention seminars provided by the IHE at the ECHS home campus for students targeted for academic intervention and support.
