Academy Information

What is the academy name?

Pebble Hills Early College

Which model does the district intend to implement at this time? Within these models, there are variations.

School-Within-School (SWS) - A subset of students on the campus are enrolled in grades 9-12 are enrolled in the academy.

Distinguished Recognition

Would your campus like to be considered for distinguished recognition? All ECHS seeking distinguished recognition will be measured against the highest OBMs.

No

Grade Levels Served

What grade level(s) will your academy plan to serve in the 2020-2021 school year?

9
10

Enter the number of students that you plan to serve in 9th grade.

135

Enter the number of students that you plan to serve in 10th grade.

Degrees and Credentials: IHE Agreements

Does the IHE partner currently have an articulation agreement with a four-year IHE detailing how a student's associate degree and accrued credits could lead to a baccalaureate degree?

Yes

Provide the university name that your IHE partner has an articulation agreement with and the bachelor degree that students could earn using their associate degree and accrued credits. Each row represents a degree.

2-Year Degree	University	4-Year Degree
AA Criminal Justice	Univeristy of Texas at El Paso	BA Criminal Justice
AS Biological Sciences	University of Texas at El Paso	BS Biology
AA Psychology	Univeristy of Texas at El Paso	BA Psychology

Job Title

Dean of Dual Credit and Early College High Schools

The Early College High School shall have a current, signed Memorandum of Understanding (MOU) for each school year that defines the partnership between the school district(s) and the institution(s) of higher education (IHE).

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirement: Curriculum alignment and courses of study, which enables a student to combine high school courses and college-level courses to earn either an associate degree, postsecondary certificate provided by an IHE, or industry certification.

The articulation agreement (Interlocal Agreement) between Socorro Independent School District (SISD) and El Paso Community College (EPCC) addresses Benchmark 2, curriculum alignment, under Section 5 Academic Plan. An academic plan is developed for each student to enable them to earn a high school diploma and an Associates Degree. In addition to college credit being earned through dual credit coursework, Socorro Early College is responsible for administering all end-of-course exams and transcribing of all college courses to the student's transcript according the district defined crosswalk. Pathways to an associate degree are additionally outlined in the articulation agreement through defined courses of study and curriculum alignment. Pebble Hills Early College students are provided with courses of study that meet the requirements of the Associates of Arts or Science Degree as well as the Distinguished Level of Achievement diploma in the following endorsement categories: STEM, Business and Industry, Public Service, Arts and Humanities, and Multidisciplinary Studies. Additional courses of study must be approved by the campus principal and the appropriate EPCC dean on an individual basis. The curriculum for Pebble Hills Early College students is developed to ensure that each student has the ability and opportunity to earn a high school diploma and an associate degree in four years. Course and curriculum alignment is reviewed annually by the Advisory Committee as outlined in the articulation agreement.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Policies for: 1) advising students on the transferability of all college credit offered and earned, 2) ensuring the IHE transcripts college credit earned through dual credit in the same semester that credit is earned, 3) advising students as to the transferability and applicability to baccalaureate degree plans for all college credit offered and earned (college credits earned during high school should allow students to progress from an associate degree to a bachelor's degree and beyond in their chosen field), 4) students accessing the IHE

facilities, services and resources

Pebble Hills Early College has a dedicated counselor and director as defined in the articulation agreement to ensure students are advised on the transferability of all college credit offered and earned. All Socorro Early College students have access to EPCC Student Services including EPCC counseling services. In addition to the requirements in the agreement, seniors have access to a transition counselor who further advises students on the transferability and applicability of their course work to baccalaureate degree plans at their planned college of choice. Pebble Hills Early College student's dual credit courses are transcribed onto the high school transcript as outlined in Section 5 of the articulation agreement. When students take college courses at EPCC, The Pebble Hills Early College Counselor and administrator are responsible for transcribing student grades following policy EIC(LOCAL). Students who take college classes at the early college site with a credentialed SISD teacher have their grades transcribed automatically through the student information system. All grades adhere to the requirements outlined in the IHE syllabus as well the appropriate grade conversion for the high school grade as stated in policy EIC(LOCAL). All Pebble Hills Early College students have full access to El Paso Community College Student services as outlined in Section 8 of the agreement. Student services provided by EPCC include the issuance of an EPCC ID, access to EPCC's online library databases, materials, and resources, on-campus tutoring centers, Academic Computer Services labs and libraries, access to participation in student government and clubs.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Transportation costs and fees including provisions for discontinuing operation while ensuring students previously enrolled will have opportunity to complete their course of study.

Socorro Independent School District ensures that transportation routes for students attending courses at all EPCC site facilities are available during the fall and spring terms. Bus routes also includes round-trip transportation for students to attend official school activities, such as daily classes in an approved class, orientation, etc.. Beyond the requirements outlined in Section 9E of the agreement, SISD provides early college students transportation for summer classes scheduled at EPCC sites and for students who attend The University of Texas at El Paso throughout the year. In the event of nonrenewal or termination of the agreement, students are afforded the opportunity to complete their course of study. Section 14, Renewal or Termination, states that termination will not occur during the middle of a school year in order to not disrupt the academic progress of the students of Pebble Hills Early College. If the agreement is terminated, Pebble Hills ECHS will continue operation through the 11th grade cohort's scheduled graduation from high school. Students enrolled in the 9th and 10th grade will also be able to continue through graduation by agreement. In the event of a termination, Pebble Hills Early College will not be able to enroll any additional students in grades that have been phased out but will continue to meet all the required design elements and provide full support for those who are still enrolled in Pebble Hills Early College.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Data sharing agreement that includes provisions for teacher data such as qualifications and student level data such as credit hours taken and earned, GPA, formative data to assess if student is on track for college readiness

Per the articulation agreement, data is shared and collected for required reporting purposes and for internal purposes to include student level data. The school district and the IHE agree to share any data required for the successful completion of the Pebble Hills Early College High School students' graduation plans and with the hiring of qualified staff members for dual credit teaching assignments. When sharing teacher data for qualifications, El Paso Community College discipline faculty will serve

on the Pebble Hills ECHS teacher hiring committees. The school district and El Paso Community College will collect and review the following disaggregated data: number of credit hours taken and earned; GPAs; End of Course results; SAT/ACT/PSAT; TSI readiness by grade level; qualifications of early college staff; and the location(s) where courses are taught. Any program improvements are based on the collection, review, and sharing of the following data: EPCC data; SISD data; articulation of high school students in four-year colleges/universities and level of entry and enrollment/retention rates; and leaver codes and attrition rates by grade level. Additionally, Socorro ECHS will participate in instruction success and faculty satisfaction surveys. Survey data is shared by EPCC the semester following the evaluations and may be used in program improvements.

Narratives: Advanced Academics

Advanced Academics

Select the type of advanced courses (dual credit/AP/IB) your campus plans to offer students in 2021-2022.

DC

AP

What type of dual credit courses does your campus plan to offer?

AGCM

Describe any challenges in ensuring your academy has educators with qualification to teach dual credit. What steps did your academy take to address the need?

Recruiting and retaining educators who are credentialed through the Southern Association of Colleges and School Commission on Colleges (SACSCOC) is one of the greatest challenges facing Pebble Hills Early College. When a credentialed teacher leaves, it is very difficult to find teachers who have the correct SBEC certificate and SACSCOC credentialing. To address these challenges, the district has implemented a dual credit teacher scholarship. Through a partnership with the University of Texas at El Paso (UTEP), SISD has implemented a Dual Credit Scholarship where interested teachers apply for and take graduate level coursework that leads to credentialing in areas of high demand such as biology and economics. To address retention of credentialed staff, teachers who go receive the Dual Credit Scholarship must commit to three years with the district upon credentialing and receive a stipend for each dual credit section they teach. At the campus level, the Socorro Early College director supports the dual credit scholarship by identifying future courses based on students to recruit teachers to apply for the scholarship. To support current staff, EPCC hosts faculty and online facilitator workshops at the beginning of each college term as well as required discipline meetings that include learning objective and syllabus updates. The Pebble Hills Early College Director also provides specific professional development for the faculty to enhance classroom instruction and provide TSI workshops. With the combined efforts of the campus, district and IHE, the district continues to recruit, educate and place credentialed teachers in the early college.

Is the academy a TSIA testing site?

Yes

Narratives: Student Support

Student Support

Provide examples of how the campus plans to provide students with academic services. List activities and brief descriptions of the activities. Add a new row for each provided service.

Activity	Description
Tutoring	Before school and after school for all early college students
AVID	Tutorials two times a week with college students
Education 1300	Academic and College Support
Problem/Project Based Learning	Peer assistance, increase communication, promotes collaboration
Academic Advising	ECHS counseling services
Spartan ECHS Remind	Parents, Staff and Student reminders and information via social media, remind app, schoology
Parent Support	Support for parents in regards to course sequencing, student support for academic advising
Student Study Groups	ECHS students

Provide examples of how the campus plans to provide students with wrap-around services. List activities and brief descriptions of the activities. Add a new row for each wrap-around service.

Activity	Description
Project Vida	Social and Emotional Health
AVID Parent Meeting	Describe AVID supports for students which include tutoring, organization, etc.
ECHS_DC Parent Academies	Degree Plans, GPA, Financial Aid

Activity	Description
How does your academy use the access, achievement, and attainment data for program improvement?	<p>Pebble Hills Early College uses the access outcomes-based measures to drive recruitment efforts. Recruiting at Pebble Hills Early Colleges starts with general recruitment/presentation to all 8th grade students within our own feeder pattern. After student presentations, a general recruitment night is held at Socorro High school for all parents, students and community members. Finally, Pebble Hills ECHS students and staff do additional recruiting in their feeder school 8th grade AVID and WIN classes. This allows for targeted recruitment to the At-Risk, ELL and first time college students. These recruitment efforts have allowed for Pebble Hills ECHS to apply for distinguished early college status. The achievement outcomes-based measures are used to shape Pebble Hills ECHS TSI intervention and testing schedules. TSI Diagnostic data from those students who do not pass are used to help tailor specific remediation throughout the year. Additionally, diagnostic data is used when planning bridge camp activities since all district 8th graders take the TSI reading. SpringBoard Math is used in all Pebble Hills ECHS non dual credit math courses to ensure that 45% of Algebra I students meet the advanced standard of EOC and are better prepared for the TSI, PSAT and SAT. With the close monitoring and use of the achievement outcomes-based measures, Pebble Hills ECHS is able to design and advise students individually to ensure they are taking the appropriate classes (college-level English and Math in 11th grade) and completing the courses required by HB5 and their Associates Degree Plan.</p>

Narratives: Leadership Team

Leadership Team

List the Leadership Team's three priorities for the next year and describe how the selected priority contributes to the academy's success. Each priority should be a benchmark from the ECHS/T-STEM/P-TECH Blueprint.

Benchmark	Description
Benchmark 1: Target Population	Increase the number of at-risk students for incoming 9th graders through targeted recruitment
Benchmark 4: Curriculum and Support	Increase the number of community business partners.
Benchmark 5: Academic Rigor and Readiness	Focus on TSI Math passing rates for sophomores to ensure all ECHS students pass and can take a college-level math class their junior year.
