Narratives: Leadership Team

Leadership Team

List the Leadership Team's three priorities for the next year and describe how the selected priority contributes to the academy's success. Each priority should be a benchmark from the ECHS/T-STEM/P-TECH Blueprint.

Benchmark	Description
Benchmark 1	Target population is a priority for Victory in support of the blueprint as it relates to target population. Our goal is to become distinguished in targeting the At Risk population and mirror the district in its At Risk population.
Benchmark 4	Curriculum and supports is vital in supporting every student holistically. Specifically Victory will focus on intervention as oppose to remediation for all academic subjects in the course of a school day as oppose to after school.
Benchmark 5	Victory's goal is to strengthen its processes related to rigor readiness as it relates to preparedness for the TSI test. Our goal is to increase the percentage of students meeting the qualifying scores the first time the test is taken in reading and writing. Additionally, Victory will adapt its college readiness initiatives to coincide with the new TSIA..
