Academy Information

What is the academy name?

Weslaco Early College High School

Which model does the district intend to implement at this time? Within these models, there are variations.

School-Within-School (SWS) - A subset of students on the campus are enrolled in grades 9-12 are enrolled in the academy.

Distinguished Recognition

Would your campus like to be considered for distinguished recognition? All ECHS seeking distinguished recognition will be measured against the highest OBMs.

No

Grade Levels Served

What grade level(s) will your academy plan to serve in the 2020-2021 school year?

9
10
11
12

Enter the number of students that you plan to serve in 9th grade.

100

Enter the number of students that you plan to serve in 10th grade.

75

Enter the number of students that you plan to serve in 11th grade.

60

Enter the number of students that you plan to serve in 12th grade.

Job Title

Assistant Vice President Academic Advancement

The Early College High School shall have a current, signed Memorandum of Understanding (MOU) for each school year that defines the partnership between the school district(s) and the institution(s) of higher education (IHE).

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirement: Curriculum alignment and courses of study, which enables a student to combine high school courses and college-level courses to earn either an associate degree, postsecondary certificate provided by an IHE, or industry certification.

MOU #7 & #8: The IHE and the school provides a course of study that allows students to complete an associate's degree. The IHE gives college credit for dual enrollment courses that are successfully completed which also allows high school credit. Both the IHE and the school contain a rigorous course of study that is aligned to an Associate's degree and to a High School diploma.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Policies for: 1) advising students on the transferability of all college credit offered and earned, 2) ensuring the IHE transcripts college credit earned through dual credit in the same semester that credit is earned, 3) advising students as to the transferability and applicability to baccalaureate degree plans for all college credit offered and earned (college credits earned during high school should allow students to progress from an associate degree to a bachelor's degree and beyond in their chosen field), 4) students accessing the IHE facilities, services and resources

1: MOU #19 The college will advise students as to the transferability and applicability to baccalaureate degree plans of all college credit offered and earned. 2: MOU #6 All grade reports for all students will be produced and disseminated no later than 72 hours (3 business days) following the end of the

academic term according to the published schedule. Term and cumulative GPA's will be reflected on grade reports. All grade points earned by a student will be included in the computation of the current semester. 3: See #1 response 4: MOU #16 Courses will be conducted at the facility provided by the School District and/or one of the College's campus within the College's service district upon to agreement. Access to the College will be made available following the College's Academic Calendar, including the summer. High school students, instructors, and appropriate staff will receive a College campus identification card, and will have access to instructional and certain agreed upon non-instructional resources and services available on the campus of the College. Students are College students. Therefore, the College's resources and services will be available to support academic success.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Transportation costs and fees including provisions for discontinuing operation while ensuring students previously enrolled will have opportunity to complete their course of study.

MOU #14. Should the District or College elect to discontinue the operation of the Weslaco ECHS, the provisions for serving the students will include the following: a) When only 9th and 10th grade cohorts are enrolled, the ECHS will discontinue operation at the end of the school year in which the partners decide to close the ECHS. Students in the 9th and 10th grade will be received by the comprehensive high school within the District. b) An ECHS with 11th and 12th grade cohorts will continue operation through that cohort's scheduled graduation from the ECHS. MOU #4 The School District will provide transportation (school bus) to students in Weslaco ECHS as required, deemed necessary, and appropriate under State law and School District rules and procedures. The School District will also provide transportation for all Weslaco ECHS field trips and project-based learning activities. In addition, ECHS students enrolled in dual enrollment classes at the College will be transported.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Data sharing agreement that includes provisions for teacher data such as qualifications and student level data such as credit hours taken and earned, GPA, formative data to assess if student is on track for college readiness

MOU #15 Disaggregated data such as number of credit hours, taken and earned, GPA's, State assessment results, SAT/ACT/PSAT scores, qualifications of ECHS staff, location where courses are taught will be used to advise students. MOU #18 FERPA allows protected student data to be exchanged between the College and campus for students that are dually enrolled without the consent of either the parents or student.

Narratives: Advanced Academics

Advanced Academics

Select the type of advanced courses (dual credit/AP/IB) your campus plans to offer students in 2021-2022.

DC
AP

What type of dual credit courses does your campus plan to offer?

AGCM

Describe any challenges in ensuring your academy has educators with qualification to teach dual credit. What steps did your academy take to address the need?

Weslaco Early college has qualifying teachers housed at Weslaco High School in the following areas: English III / English 1302/1302 Pre-Calculus / College Algebra US History/US History Criminal Justice / Elective for Interdisciplinary Studies Currently WHS works in partnership with STC to secure qualified instructors from the IHE in order to secure credits required by students to earn both their high school diploma as well as an Associate's Degree. When interviewing new staff we put a priority on securing those teachers who may qualify to teach them as a dual enrollment class.

Is the academy a TSIA testing site?

Yes

Narratives: Student Support

Student Support

Provide examples of how the campus plans to provide students with academic services. List activities and brief descriptions of the activities. Add a new row for each provided service.

Activity	Description
Pathway to Success Class 9th grade	All students are enrolled in a Pathway to Success class their first year. Students receive support to prepare for TSI as well as transition into college
Summer Bridge	All rising 9th graders receive summer bridge classes to prepare for transition from middle school to high school
Tutoring	Provided Monday through Thursday as well as Saturday
Mentorship	9th grade students paired with 11th grade student for support to transition into high school
Jr./Sr. IHE advisement	All 11th & 12th grade students meet with personnel from the IHE to review their progress toward graduation.

Activity	Description
Workforce Solutions	Business skills
Cambridge/Apex/TSI/ACT Prep	English III & Algebra II
Jr. ACT Testing	All juniors are given the opportunity to participate in the ACT test.

Provide examples of how the campus plans to provide students with wrap-around services. List activities and brief descriptions of the activities. Add a new row for each wrap-around service.

Activity	Description
WHS adopted Gibson Park	FCCLA adopted Gibson park and this has turned into a school-wide project
Workforce Solutions partnership	Job skills training
Partnership with Frost Bank	Opt for Optimism program
Parent Ambassador Program/Campus Parent Committee Established	Partnership with faith based partner, parents, teacher
Mental Health Counselor on campus	Partnership with Tropical Texas
School Resource Officer partnership with Weslaco PD	Partnership with Weslaco PD

How does your academy use the access, achievement, and attainment data for program improvement?

The leadership team at Weslaco High School ECHS uses data in various ways to assure we are on target with the outcome-based measures as outlined in the ECHS Blueprint. This data is used in the following ways. ACCESS: Recruitment/PEIMS data -allows the opportunity to recruit the targeted population so that these students have opportunities to enroll, persist and graduate college-ready. This data also gives us a snapshot of how we need to create our professional development to target under-represented youth. ATTAINMENT: Curriculum, Instruction and Assessment data is used to improve our methods of academic and support delivery in/out of the classroom. Constant review of this data allows for adjustments in our teaching and learning for/with our students. This data gives us an opportunity to explore and learn with our higher ed partner(s). Together we use the data to create/adjust the master schedule, provide students supports services, and assure that ample funding support is in place for all programs. ACHIEVEMENT: Working with our higher ed partners and other stakeholders/offices (enrollment, advisement, testing, PEIMS, etc.) assures that we use data to forecast what is needed to get our students college-ready. We use grades, attendance, assessment results, teacher input-feedback, classroom/instruction audits, etc. and other data to modify our school programs for student success and provide the appropriate supports.

Narratives: Leadership Team

Leadership Team

List the Leadership Team's three priorities for the next year and describe how the selected priority contributes to the academy's success. Each priority should be a benchmark from the ECHS/T-STEM/P-TECH Blueprint.

Benchmark	Description
Recruitment:	Review and determine the current timeline & setup of recruitment. Recruiting at the 8th grade level at four middle schools for the district's three Early College High Schools can be challenging to ensure the OBM are obtained for each recruiting class for each Early College High School.
Achievement	Increase the number of students obtaining their Associate's Degree. Increasing the time and resources for students to prepare for the TSI exams. Ensuring courses are offered/available for degree plans at the appropriate semester.
OBM-meeting the English 1301 and College Algebra requirement	Ensuring students who are TSI complete are enrolled in the English or Algebra college course by the end of their Junior year. Increase TSI readiness for students at the 9th grade level.
