Director

The Early College High School shall have a current, signed Memorandum of Understanding (MOU) for each school year that defines the partnership between the school district(s) and the institution(s) of higher education (IHE).

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirement: Curriculum alignment and courses of study, which enables a student to combine high school courses and college-level courses to earn either an associate degree, postsecondary certificate provided by an IHE, or industry certification.

The parties (Houston Community College and Alief Early College High School) partner to provide the following courses and programs: Dual Credit Courses, College Prep Math and English Courses, Data Sharing, Alief Early College High School and CTE Early College High School Programs. Students enroll in dual credit courses that are "crosswalked" with high school courses for both high school and college credit. Students who complete the mandatory required coursework graduate with both their high school diploma and Associate's Degree.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Policies for: 1) advising students on the transferability of all college credit offered and earned, 2) ensuring the IHE transcripts college credit earned through dual credit in the same semester that credit is earned, 3) advising students as to the transferability and applicability to baccalaureate degree plans for all college credit offered and earned (college credits earned during high school should allow students to progress from an associate degree to a bachelor's degree and beyond in their chosen field), 4) students accessing the IHE facilities, services and resources

Alief Early College High School has a part time IHE advisor that assists in planning and following the degree plan for earning an Associates Degree in either Arts, Science, or Engineering Science. Additionally, students who continue their education at a four year university or other post-secondary option are advised of the transferability of their credits. The IHE transcripts and high school transcripts are audited for accuracy by campus counselors, content coordinators, the graduation center adviser and the campus registrar each semester. Students have complete access to all IHE facilities and resources.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Transportation costs and fees including provisions for discontinuing operation while ensuring students previously enrolled will have opportunity to complete their course of study.

Transportation is provided by Alief ISD for Alief Early College High School students.. The IHE has no dealings with the transportation of Alief Early College High School students at any time.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Data sharing agreement that includes provisions for teacher data such as qualifications and student level data such as credit hours taken and earned, GPA, formative

data to assess if student is on track for college readiness

At Alief Early College High School, students begin TSI testing and interventions in Summer Bridge prior to their 9th grade year.. Student data is tracked by the counselors and content specialist to ensure that students are on track for college readiness. Teachers use formative data and meet as teams to track and advise students. The IHE provides a part-time adviser that works directly with Alief Early College High School and has access to teacher and student data. The adviser reviews and shares information such as college credits attempted and completed, GPA, and TSI results to assess if students are on track for their Associate's Degree.

Narratives: Advanced Academics

Advanced Academics

Narratives: Curriculum and Support

Curriculum and Support

Provide examples of how the campus plans to provide students with academic services. List activities and brief descriptions of the activities. Add a new row for each provided service.

Activity	Description
Tier Tutorials	Subject focused support on Tuesdays, Wednesdays, & Thursdays from 2:35 PM to 4:40 PM.
Mentor Program	Underclassmen assigned and meet with a mentor regularly for academic and emotional support.
AVID	All students 9-12 enrolled in AVID class which tracks and supports students' academic progress
TSI Intervention	Students have TSI intervention classes provided during the school day.
SAT Intervention	Students have SAT intervention-prep classes during the school day.

Provide examples of how the campus plans to provide students with wrap-around services. List activities and brief descriptions of the activities. Add a new row for each wrap-around service.

Activity	Description
District STEM Conference	Volunteer Activity
Killough STEM Workshop	Volunteer Activity
STEM Car at Alief Proud Day	Volunteer Activity
Energy Day	Volunteer Activity
STEM Xperience	Volunteer Activity

How does your academy use the access, achievement, and attainment data for program improvement?

Students are encouraged to give back to the community through volunteering and participating in multiple events. Students, along with their sponsors learn how to communicate, work collaboratively, think critically and be creative all while giving back to the community. Community service and participation in events outside of school are tracked and reviewed.

Leadership Team

List the Leadership Team's three priorities for the next year and describe how the selected priority contributes to the academy's success. Each priority should be a benchmark from the ECHS/T-STEM/P-TECH Blueprint.

Benchmark	Description
Benchmark 1- Target Population	Continue to refine the recruitment process to ensure the target populations are met.
Benchmark 4- Curriculum and Support	Provide rigorous curriculum and support students in their course of study and ensure the whole child is serviced (social and emotional).
Benchmark 5- Rigor and Readiness	Provide TSI assessment and intervention as early as possible. Identify students in need of intervention as early as possible and provide appropriate, data, driven intervention.
