Describe how the Business/Industry articulation agreement addresses the following Business/Industry Blueprint Requirements: Clear roles and responsibilities for work site supervisors, mentors, teachers, support personnel, and other partners.

There are many ways in which employers partner with P-TECH campuses. While employer involvement in each of the following activities is critical to our success, employer partners are not expected to participate in all activities. Hero Collegiate Academy district/campus representatives will work with students to help identify and select the activities that make the most sense for your business and employees by organizing, scheduling and overseeing job site visits, shadowing, and mentoring.

Describe how the Business/Industry articulation agreement addresses the following Business/Industry Blueprint Requirements: Support for students' activities, such a clubs, Career and Technical Student Organizations, competitions, and special invitations.

Support for students' activities through clubs, Career and Technical Student Organizations, competitions and special invitations will be provided by Holliday Collegiate Academy employees. All students in the P-Tech program will continue to have access to extracurricular activities as do peers in the regular high school.

Describe how the Business/Industry articulation agreement addresses the following Business/Industry Blueprint Requirements: Student access to business and industry partners and work-based learning facilities, services, and resources.

The Hero Collegiate Academy P-TECH program provides wrap - around strategies and services involving multiple stakeholders (parents, teachers, counselors, community members, etc.) to strengthen both the academic and technical skills necessary for high school and college readiness. In addition, HISD provides academic, technical, and individual support for students to be successful in rigorous academic and work - based learning experiences.

Describe how the Business/Industry articulation agreement addresses the following Business/Industry Blueprint Requirements: Transportation fees and costs.

Hero Collegiate Academy will cover all transportation fees and costs.

Strategic Partnerships: IHE

The P-TECH shall have strategic partnerships with business and industry partners and IHEs that are formally articulated in writing and clearly define a variety of careers.

Job Title

Early College Start Director

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirement: Curriculum alignment and courses of study, which enables a student to combine high school courses and college-level courses to earn either an associate degree, postsecondary certificate provided by an IHE, or industry certification.

A four year crosswalk has been developed giving students the choice of pursuing an associates degree or industry based certification upon high school graduation.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Policies for: 1) advising students on the transferability of all college credit

offered and earned, 2) ensuring the IHE transcripts college credit earned through dual credit in the same semester that credit is earned, 3) advising students as to the transferability and applicability to baccalaureate degree plans for all college credit offered and earned (college credits earned during high school should allow students to progress from an associate degree to a bachelor's degree and beyond in their chosen field), 4) students accessing the IHE facilities, services and resources

Hero Collegiate Academy advisory committee counsels students through the process of selecting courses towards transferring to an institution of higher education for successful completion of college hours. Utilizing high school courses of study, transcripts and degree plans, will enable students to plan accordingly ..

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Transportation costs and fees including provisions for discontinuing operation while ensuring students previously enrolled will have opportunity to complete their course of study.

HISD will absorb transportation costs for students enrolled in Hero Collegiate Academy.

Describe how the IHE articulation agreement addresses the following IHE Blueprint Requirements: Data sharing agreement that includes provisions for teacher data such as qualifications and student level data such as credit hours taken and earned, GPA, formative data to assess if student is on track for college readiness

Teacher data for students enrolled in Hero Collegiate Academy can be accessed through parent portal, report cards, transcripts and myvcportal.
