

Fingers Crossed

— Lauren Spencer Smith • Fransisca Hall • Jakke Erixson

(verse 1)

D Bm⁷
Introduced me to your family, watched my favorite shows on your TV
Em A⁷
Made me breakfast in the morning when you got home from work
D Bm⁷
Makin' plans to travel 'round the world, said we'd always put each other first
Em A⁷
Old love songs we used to play to, funny now I hate you

(chorus 1)

D Bm⁷
Now I remember when you'd call me late at night
Em
I gave you my hours and advice just tryin' to fix you and all your Daddy issues
A⁷
But now I don't even miss you anymore
D Bm⁷
So I, I want all the tears back that I cried
Em
All the hours spent giving advice on how to write your songs

All you did was proved me wrong
A⁷ D
When you said you loved me, well you must have had your fingers crossed

(verse 2)

D Bm⁷
Should have paid attention to my friends, telling me how bad it's gonna end
Em A⁷
Always giving their opinions, now I wish I would have listened

(bridge)

Bm⁷ A G Bm⁷ A G
I could say I'm sorry but I'm not, you don't deserve the one thing that you lost

(chorus 2)

D Bm⁷
Now I remember when you'd call me late at night
Em
I gave you my hours and advice just tryin' to fix you and all your Daddy issues

Fingers Crossed

— Lauren Spencer Smith • Fransisca Hall • Jakke Erixson

A⁷

But now I don't even miss you anymore

D

Bm⁷

So I, I want all the tears back that I cried

Em

All the hours spent giving advice on how to write your songs

All you did was proved me wrong

A⁷

D

When you said you loved me, well you must have had your fingers crossed

Bm⁷

(oh-oh, oh-oh) Your fingers crossed

Em

(oh-oh, oh-oh) Your fingers crossed

A⁷

(oh-oh, oh-oh) Oh, when you said you loved me

D

Well, you must have had your fingers crossed

(outro)

D

Bm⁷

Oh I, I want all the tears back that I cried

Em

All the hours spent giving advice on how to write your songs

All you did was proved me wrong

A⁷

Wish you said you loved me when you didn't have your fingers crossed

performance notes: placing a capo at the third fret puts this song into the original key of F major.
