

Like A Star — Corinne Bailey Rae

(verse 1)

Just like a star across my sky, just like an angel off the page
You have appeared to my life, feel like I'll never be the same
Just like a song in my heart, just like oil on my hands, honour to love you

(chorus 1)

Still I wonder why it is I don't argue like this with anyone but you
We do it all the time, blowing out my mind

(verse 2)

You've got this look I can't describe, you make me feel like I'm alive
When everything else is au fait, without a doubt you're on my side
Heaven has been away too long
Can't find the words to write this song; oh, your love

(chorus 2)

Still I wonder why it is I don't argue like this with anyone but you
We do it all the time, blowing out my mind

(bridge)

(verse 3)

Now I have come to understand the way it is,
It's not a secret anymore, 'cause we've been through that before
From tonight I know that you're the only one
I've been confused and in the dark, now I understand, ay-yay
