

Scope and Sequence (Levels 1-8)

Adaptive Skills

Daily Living
Self-Awareness
Community Living
Prevocational
Health and Safety

Example Lesson Topics:

Foods
Clothing
Household Items and Rooms
Weather and Seasons
Body Parts and The Five Senses
Body Functions
Personal Needs, Hygiene, and Nutrition
Calendar Information
Places in the Community
Community Helpers, Associations, and Places
Occupations and Career Tools
Community Signs ID and Meanings
Community Signs Locations
Safety Rules
Grocery Store Skills
Housekeeping, Restaurant, and Office Concepts
Functional Measurement
Sequencing Daily Activities
Sorting Common Items
Functional Measuring
Sequencing Functional Tasks

Cognitive Skills

Sequencing
Feature, Functions, and Classes
Visual Perceptual Similarities
Sorting Categories
Categories –Different Than
Color-Shape Discriminations
Opposites
Reasoning Skills

Example Lesson Topics:

Event and Activity Sequencing
Features, Functions, and Class
Identical Matching
Non-Identical Matching
Patterns and Seriation
Shapes and Colors
Categories: Animals, Food, Vehicles, Toys, Furniture, and Clothes
Natural vs. Man Made
Same and Different
Opposite Words
Classes of Objects ID/Sorting
Associations
Classification Reasoning
Quantitative Reasoning
Negation/Identifying Differences
Qualitative/Quantitative Sorting

Social Emotional Learning

Joint Attention
Social Awareness
Emotions
Play and Leisure
Social Comprehension
Non-Verbal Communication
Imitation

Example Lesson Topics:

Eye Gaze
Character Identification
People (ID and Sorting)
Emotions (States, Synonyms, Person)
Toy Identification
Sport Identification
Social Actions
Pretend Play/Play Behavior
Silly Recognition
Real or Pretend
Friendship Rules
Causes of Emotions
Problem Behavior/Situations
Face Matching
Gestures
Social Interest
Identifying Facial Expressions
Appropriate/Inappropriate Behaviors
Imitation Recognition
Sequencing Social Activities

Scope and Sequence (Levels 1-8)

Language Development

Receptive Labeling
Parts of Speech
Calendar Skills
Auditory Discriminations
Listening Comprehension
General Knowledge
Verbal Reasoning
Social Awareness

Example Lessons Topics:

Receptive Labels: Animals, Classroom Objects, Tools, Instruments, Nature, Materials, States of Matter, Adjective–Noun Combinations, Art Nouns, Verbs, Adverbs, Pronouns, Possessives
Time and Sequence
Prepositions and Locations
Yes and No
Days of the Week
Calendar Concepts
Common Sounds (Animal, Transportation, Musical Instruments, and Household)
Visual Comparisons
Factual, Practical Knowledge
Colors
Comparisons
Temporal Order
Actions
Visual Scene Comprehension
Categorization
Environmental Sounds
Science

Language Arts

Print Concepts
Phonological Awareness
Decoding/Reading
Story/Text Comprehension
Conventions of Standard English
Spelling

Example Lesson Topics:

Matching Letters (Upper/Upper, Lower/Lower, Upper/Lower)
Lowercase and Uppercase Letter ID
Phonological Awareness
Matching/ID Initial Sounds/Letters
Rhyming
Regular and Irregular Plurals
Punctuation
Contractions
Word Matching/ID
Sight Words
Text Comprehension
Synonyms and Antonyms
Sight Word Spelling
Word Family Sorts
Alphabetical Order
Word Parts
Reference Materials
Capitalization
Basics Text Structure
Collective Nouns
Missing Vowel ID
Prefixes and Suffixes
Story Comprehension
Characters and Settings

Mathematics

Counting Cardinality
Operations and Algebraic Thinking
Geometry
Measurements and Data
Quantity Concepts
Fractions Operations

Example Lesson Topics:

Number ID 1 to 999
Matching Identical Numbers
Numbers and Quantities
Number Sequencing
Number Words
Identifying Missing Numbers
Identifying Math Symbols
Addition, Subtraction, Multiplication, and Division Facts
Counting Out Quantities
Identifying Numerical Quantities
Identifying Language Quantities
Comparing Quantities
Skip Counting
Shape ID
Money
Time
Measurement
Identifying Fractions
Adding Fractions with Like Denominators
Calculator Locations
Place Value
Manipulative Math
Parts of an Equation
