AWS D1.1 Interpretation

Subject: Engineer Acceptance of Welder Qualification
Code Edition: D1.1-90
Code Provision: Subsection 5.4.2
AWS Log: ID1-90-028-03

Inquiry: For D1.1, if a fabricator submits documentation to the Engineer of test conducted by a municipality, state agency or government agency, should the Engineer accept the documentation for qualification purpose of welders?

Response: As stated in 5.4.2 of D1.1-90, the Engineer has the discretion to accept or reject the documentation.
