APIs used for searching for a support network:

OpenStreetMap via Nominatim + Overpass AP

Prompt used on the Lovable website to create the front-end:

Create the complete design and front-end of a website called "Voz de Menina" (Girl's Voice), focusing on welcoming, safety, information, and empowerment of girls and young women.

Visual Identity - Color Palette:

- Navy blue (main)
- Lavender
- Lilac
- White

Style:

- Modern, welcoming, light, and safe
- Clean interface with plenty of white space
- Rounded edges and soft shadows

Typography:

- Modern, legible, and friendly

Character:

- Create a persona (girl) that represents the project
- She should appear in banners, illustrations, and supporting elements on the pages (such as a guide and welcome message)

Security Features (MANDATORY ON ALL PAGES)

Add discreet, yet accessible elements:

- Emergency button
- Always visible (e.g., corner of the screen)

Upon clicking:

- Automatically sends a message to the registered emergency email address
- Customizable default message (e.g., request for help)
- Discreet visual appearance (can look like a neutral button)
- Quick exit button - Immediately close the session OR redirect to a neutral website (e.g., Google)
- Must be discreet and easily accessible - Should not attract attention

Homepage (landing page)

Horizontal menu at the top:

- Log in
- Register

Structure:

- Main banner with the character + impactful phrase

- "About us" section
- "About the project" section with images
- Cards explaining objectives - Minimal text, visual focus
- CTA: "Start now", "Create account"

Login Page - Fields:

- Email
- Password

Options:

- "Forgot my password"

Buttons:

- Log in
- Registration link
- Centralized layout with illustration

Registration Page - Fields:

- Email
- Password
- Confirm password
- Emergency/recovery email
- Registration button
- Login link Dashboard (after login)

Vertical side menu:

- Modules
- Information
- Support networks
- Videos
- Profile
- Logout

Content:

- Started modules
- User progress

- Welcome message with character

Modules page

- List by themes

Status:

- Not started
- In progress
- Completed

Interactive cards

- Fixed side menu

Information page

- Content in blocks by theme
- Cards with title + description
- Side menu

Videos page

- Videos organized by theme
- Grid layout (cards)
- Preview or integrated player
- Side menu

Support Networks page

- Search bar by city
- Filters by category: - Security - Results - Health - in list or cards

Profile page

- Edit:
- Name
- Email
- Password
- Emergency Contacts
- Language settings: - Portuguese - English - Spanish
- Save button
- Sidebar menu

General Requirements

- Responsive layout (mobile and desktop)
- Simple and intuitive navigation
- Reusable components
- Smooth animations
- Visual consistency
- Use of the character at strategic moments

Important Differentiator

- The website should convey:

- Security
- Trust
- Welcoming atmosphere
- Avoid a "childish" appearance, maintain a young and respectful tone
- Security elements (emergency and quick exit) should be discreet, functional, and always accessible.
