

Team Biographies

Ana Luísa Martins Bassan

Born in 2010 in São Paulo, Ana Luísa currently lives in Bragança Paulista, where she is a High School Freshman at **IFSP**. She is a dedicated student with a deep interest in the humanities, investigative documentaries, and true-crime series. Beyond her academic focus, Ana values moments of meditation and faith. Her goal is to attend a university abroad and build a career in Marketing.

Valentina Ferraz Lima

Fifteen-year-old Valentina has a strong academic track record, having completed her middle school years at SESI with high honors and several awards in academic decathlons. She is currently a Freshman at **IFSP Bragança Paulista**, pursuing a technical degree in Information Technology. Driven by a desire to experience new cultures, Valentina plans to build an international career that allows her to travel the world and work globally.

Sofia Luz de Camargo

At 14 years old, Sofia is a student at **IFSP Bragança Paulista** in the integrated Information Technology technical program. Known for her hard work and consistent academic performance, she views high school as a vital foundation for her future. Her primary focus is setting clear professional goals, aiming to bridge her personal interests with the innovative opportunities offered by the tech industry.

Maria Eduarda de Aguiar Simões

Maria Eduarda is 15 years old and is also a Freshman in the Information Technology technical program. With a clear vision for her professional future, she is dedicated to refining her study habits and overcoming academic challenges. Her ultimate goal is to major in Information Technology, specializing in **Artificial Intelligence** to pursue a career as an AI specialist.
