

Basic Instructions – Project: MediFácil

This guide provides credentials and a detailed explanation of the MediFácil app's features. Since the interface is in Portuguese, use this roadmap to identify terms on the screen and follow the steps demonstrated in the video.

1. Access Credentials

To test the application, please use the following test account:

- **Email:** `usuariofinaldoapp@gmail.com`
- **Password (Senha):** `finaluser123*`
- **Options:** You can log in via Google or by entering the credentials and clicking "Sign in" (Login). At the bottom, you will also find the "Esqueci a senha" (Forgot password) button.

2. Home Screen (Main Navigation)

On the main interface, you will see the welcome message:

"Olá, usuariofinaldoapp! Encontre seus medicamentos rapidamente."

("Welcome, usuariofinaldoapp! Find your medications quickly.")

Available Search Methods:

- **Buscar medicamento...: (Search medication...)** – Direct search by the name of the medicine.
- **Por sintoma: (By symptom)** – Filters medications based on what the user is feeling.
- **Categorias: (Categories)** – Organized search by drug classes. E.g., Analgésico (Analgesic), Antibiótico (Antibiotic), Vitamina (Vitamin).

3. Community Updates (Collaboration)

The app's highlight is the collaborative feed where users report pharmacy conditions in real-time:

- **Availability Status):**
 - **Disponível: (Available)** – Medicine is in stock.
 - **Poucas unidades: (Low stock)** – Low stock alert.
 - **Em falta: (Out of stock)** – Medicine is unavailable at that location.
- **Queue Status (Status de Fila):** Reports if the location has Sem fila (No line), Pouca fila (Short line), or Muita fila (Long line).

4. Healthcare Network Filters

When searching for a medicine, you can filter results by the type of establishment in Brazil:

- **Todos: (All)** – Shows all available options.
- **SUS:** National Health System (Public health centers – Free medications).
- **Popular:** (Government program providing subsidized or free medications).
- **Privada:** (Private/Commercial pharmacies – Paid).

5. Bottom Menu & Organization (Navigation Menu)

- **Início: (Home)** – Returns to the main dashboard.
- **Buscar: (Search tab)** – A dedicated tab for searching.
- **Favoritos: (Favorites)** – List of saved items or pharmacies (Heart icon).
- **Perfil: (Profile)** – Access to account data, search history, and the "Sair da conta" (Sign out) option.

6. Search by Symptom (Vocabulary)

Translations for the terms listed on this specific screen:

- Febre (Fever) / Gripe (Flu) / Infecção (Infection).
- Dor de cabeça (Headache) / Dor no corpo (Body pain).
- Pressão alta (High blood pressure) / Diabetes (Diabetes) / Ansiedade (Anxiety).

7. Pharmacy Details

By selecting a specific pharmacy, the user can access:

- **Abrir rota no Maps: (Open route in Maps)** – GPS integration for navigation.
- **Heart Icon (Top Right):** Saves the pharmacy to your favorites.
- **Consultar horário: (Check hours).**
- **Medicamentos / Comunidade / Avaliações: (Medications / Community / Reviews)** – Stock list, other users' comments, and establishment ratings.
