
Visitors and Travelers are welcome to the Visitors Center. For the safety of our visitors, travelers and employees during the COVID-19 Pandemic the Pulaski County Tourism Bureau & Visitors Center is instituting the following procedures until further notice:

- Visitors will be greeted just inside the door at the Welcome Table. One travel party at a time will be allowed to enter. Center Representative will capture travel party name, cell # or email, and point of origin.*
- A Center Representative will determine the travel information needed, gather information and present the bag of information for you to continue your visit to Pulaski County or travel throughout the state of Missouri.
- Restroom facilities: One restroom has been designated as the Family Restroom. One adult and one child may enter to use the restroom or two adults from the same travel party.
- Retail room: One visitor may enter the retail outlet area.

**Information collected is only for notification of possible COVID related concerns. Information will not be used for any other reason.*

VISITOR RECOMMENDATIONS

Pulaski County businesses are open. Remain cognizant of social distancing, cleanliness for yourself and others. Masks are encouraged.

- ✓ Lodging is plentiful.
- ✓ Outdoor recreation - is encouraged; fishing, walking, river floats, golf, etc.
- ✓ Indoor recreation is limited – call ahead to confirm.
- ✓ Shopping - is available; limitations of 25% occupancy.
- ✓ Restaurants - are open; Dine in is offered at 25% occupancy at some locations and changes daily. Most continue to offer; curbside, take-out and delivery options. Call ahead to confirm.
- ✓ Personal Services – are open. Call ahead to confirm services and procedures.

Please be advised to **call ahead to determine availability of businesses you plan to visit.** Due to varying community requirements, or business owner ability, full services may or not be available. Many of these services are changing daily.

CLEANING PROCEDURES:

- ✓ Center Representative will apply hand sanitizer prior to gathering travel literature.
 - ✓ Welcome table will be disinfected upon travel party departure, interior and exterior door handles.
 - ✓ The Family Restroom will be disinfected upon travel party departure.
 - ✓ Point of sale is electronic. Signing instrument will be disinfected after every use.
-

Employee safety: Staff will wear mask while interacting with visitors. Staff that are unable to maintain 6 foot distance will be required to wear a mask.

When using other phone locations, kitchen area, lunch area, employee restroom, office equipment; copier, point of sale, postage machine area is to be wiped down with disinfectant. Disinfect mail receptacle before and after use. At the end of each shift disinfect your work station.

Upon departure of visitors – employees are to disinfect areas; welcome table, door handles inside and out, bathroom facilities if used. Gloves, Clorox wipes, Clorox spray are available. Mask is available for each employee. Disposable masks are on order.

Employees are to stay within a 60 mile radius, reporting further travel to supervisor. Employees are not to come to work sick.

The Bureau will continue to monitor the situation and will tighten or relax procedures as needed.
