

Deputy Jacob Pickett 2nd Annual Remembrance Day

Hosted by the Jacob Pickett Response Organization

at the Boone County 4-H Fairgrounds

March 7, 2020

11:00 a.m. to 3:00 p.m.

Please join us on March 7th for the Deputy Jacob Pickett 2nd Annual Remembrance Day hosted by the Jacob Pickett Response Organization. There will be a variety of things to do for the whole family (see below).

On this day we honor Jake's legacy by introducing a new organization dedicated to helping law enforcement families in their times of need. **The Jacob Pickett Response Organization will be raising funds for the Farinella family on this day.** On October 9th, 2019, Amanda Farinella was diagnosed with stage four lung cancer. She is a loving wife to her husband, Joe Farinella, who is a deputy for Tipton County Sheriff's Department. She is an amazing mother to two daughters (3rd and 5th grade), and a fur-momma to their retired police K9 Aik.

Since Amanda's diagnosis, life for her and her family has looked very different. Amanda is currently undergoing chemotherapy and immunotherapy. **The Jacob Pickett Response Foundation will donate money raised to help cover medication costs, cancer treatments, and any ancillary services she and her family may need along this journey.**

Mark your calendars to come show your support for the Farinellas and the Jacob Pickett Response Organization. **Donations will be accepted at the event and proceeds of the event and sales will benefit the Farinella family. For more information about the organization, event, and how to help, visit remembering626.org and look for ways to help. Please direct all inquiries through our website.**
