for handouts and similar items.

(Every lesson’s “Teaching Plans” does not include items that lend themselves to
handouts, and so an item is not provided for every lesson.)

Case Study: Part A

The sole survivor of a shipwreck was washed up on a small, uninhabited island. He prayed for God to rescue him, but weeks went by without any result. He had built a small hut from driftwood as his only shelter, and he was able to catch small fish with his hands to eat.

One day while cooking his daily meal, the wind blew the fire onto his hut. It caught fire and burned to the ground. “God, how could you let this happen?” he cried.
