SMS OFFER BLUEPRINT

Use the following template to optimize each SMS offer you send to customers.

Business Name
It's essential that you include your business name in each text message offer you send customers.

Offer
It's good practice to lead off with the offer you're making to customers. Gets them hooked!

Offer Fine Print
Tell customers what is required to partake in the offer.

Expiration Date
Make sure your customers are aware of when the offer will expire.

Redemption Instructions
Tell customers how to redeem the offer.
