

GAME DAY PROTOCOL

1. ALL matches are deemed mandatory. Please contact the Team Coach if you are going to be absent. We will need an email notification from your parents regarding this absence.
2. If a player is going to be tardy or absent for ANY reason the parent/guardian MUST contact the Team Coach ASAP or prior to the match in order to be excused and participate in practice or a match on that specific day. If you fail to do so, it will be classified as an unexcused absence.
3. Game Day the player is expected to be in uniform, ready to go with an exception of court shoes.
4. Players will be expected to work a designated amount of games; this includes being a line judge, scorer and/or libero tracker. If you are unfamiliar with any of these responsibilities you need to speak to the Team Coach or Team Captain to review what is expected from you. A work schedule will be designated out prior to games starting.
5. The team is expected to organize backpacks on the sidelines in a safe and orderly manner, enter and exit the court as a unified team, and display good sportsmanship at all times.
