

At the core of Thapos, we are a group of passionate individuals who would like to enhance your youth sports experience. Thapos is designed for those who are talented, hardworking, and passionate on sports. That's how we get to know as Thapos.

Thapos allows sports clubs to manage their daily activities, coaches to coach their players and manage their teams, athletes to excel at sports, and everybody else to get connected with their club, team, or athlete.

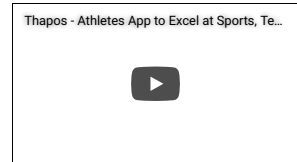

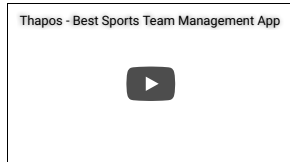

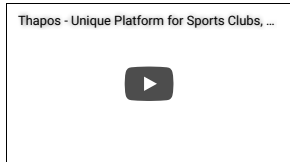

Thapos helps

- Sports clubs to run their programs, player registrations, payment processing, team roster management, schedule, staff, and field management.
- Teams to communicate better, organize team data at one place, and raise funds for their team.
- Athletes to manage their athletic performance, profile, schedule, teams and athlete social network.
- Allows coaches and parents help their athletes.

Thapos is dream come true for coaches and parents who want to help their athletes to get better at sports. Thapos is where athletes live to realize their dreams.

Our message to our athletes is **"You can be the best of the best, only if you try your best. Just do it. The rest will fall into place!"**. Thapos truly believes in this message and facilitates at it's best so that our athletes can realize their dreams.
