

GA Elite Baseball is a nonprofit, 501c3 organization that is committed to teach, encourage, and mentor youths ages 4 -16. Our goal is to provide a “Have Fun...Work Hard” atmosphere which focuses on teaching the student/athlete of our community the technical, physical, and mental skills required to play elite baseball.

Both on and off the field we will always emphasize character, discipline, honesty, accountability, and respect. In addition, we also focus on having a positive winning attitude, managing failure, and being a great teammate. This is done so our youth may grow to become well-adjusted citizens who will have a meaningful and positive impact on our society.

Off the field we emphasize academics and advocate community service and pride. This is accomplished first and foremost by providing an enriched environment which is Christian character and value based. Secondly, athletes will be exposed to outstanding leadership from our coaches, administrators, as well as a vast network of accomplished community mentors.

GEB, Inc. is managed within strict budgetary guidelines to financially break even each year. GEB’s revenue comes from contributions, sponsors, player registration fees, tournament registration fees (less expenses), the tryout clinic, concession revenue, and other fundraising events.

The program relies largely on volunteers to coach and oversee the activities of the organization. GEB, Inc. is very particular about selecting coaches who are committed to the players and who have demonstrated baseball experience and knowledge. These people devote countless hours each year to benefit the young players.
