

THE DO RIGHT LEAGUE AGE WAIVER APPLICATION – 2021 SEASON

The Do Right League has the ability to grant age waivers for players who need to play in a younger age group or older age group due to their skill or development level.

Age waivers are only valid within the Do Right League and TDRL-sanctioned events. Teams with an age-waivered player who travel outside the TDRL region must notify the tournament director and seek approval for the player to participate.

- Age waiver applications must be completed by the player, parent/guardian, or the team director, and must be approved by the TDRL Director.
- Each team may have no more than two age-waivered players on the roster.
- An age waiver will not be granted for a top team.
- Players receiving a waiver shall not make an impact on that team. This means they should fall in the “average” to “below average” skill level on that team. TDRL has the right to revoke a waiver, at its sole discretion, should a player be disproportionately skilled or deemed a safety hazard.
- Age waivers may be revoked should any part of the application be falsified or deemed misleading.
- Waivers are only considered for birthdays that fall between March 15th and April 30th.
- Exceptional circumstances may be considered by the TDRL Director.

Age waivers are based on the team designation a player wishes to participate with. For example, a 19-year-old player who wishes to play on a 20s team must fill out an age waiver, even though that 19s team may play in 17-20's group.

Age waivers must be submitted by the team director to the TDRL office no later than 5:00 PM on Wednesday prior to a tournament or league play if they wish to participate in. Generally, once a player is waived to a roster, they will be required to continue playing on that roster for the remainder of the season, unless an exception is granted by TDRL

The application must be completed in its entirety. Incomplete applications are not considered.

Note – TDRL does not take responsibility for ensuring a player, upon approval of a waiver, appears on a roster or rosters in the basketball management systems. Please communicate with tournament organizers or the support staff of the management company to ensure player is rostered appropriately.

Please allow 48-72 hours for a decision on each waiver from the CEVA office.

Upon completion, team director must submit form via e-mail to info@dorightleague.com or on website
