2. Know, understand, and respect the laws of the game.
3. Be fair with your players. Treat them with honesty and respect. Motivate players and teach with a positive attitude. Set team rules and fairly apply them to all team players. Respect players' confidentiality.
4. Be respectful to all players, coaches, game officials, parents, and spectators. Always act in a professional manner.
5. Require your players and parents to follow FD Academy Players/Parents Sportsmanship Code of Conduct. Encourage your team's spectators/parents to behave during matches and supportive of all players.
6. Try to make each and every experience a positive one. I understand that winning is the goal, BUT not everything. We do not win at the cost of our integrity.
7. Never use profane or vulgar language in the presence of players or parents. Use appropriate language and behavior while coaching. Be a role model of appropriate behavior.
8. Set a good example for your players by coaching fair play and maintaining the highest standards of integrity and dignity.
9. Never use alcohol, tobacco, or illegal drugs around your players at practices and games.
10. Prepare players to learn, improve and compete to the best of their ability. Also provide timely and honest assessments of players' ability and potential.
