

Mt. Juliet League, Inc.

Park Improvement Project

We are at the beginning of an exciting era as we enter the next 50 years at MJ League. We know how much MJ League baseball and softball mean to you and your families. We are selling engraved pavers that will mark one of two unique walkways where you and your family will always be remembered as part of the park history as we make improvements to the park including updating needed facilities after the 2019 Fall Season.
