1. Called to Order by Dave Shoemaker at 6:04
2. Discussed status of coaches for all divisions: Masters division is set and the Open & Veterans divisions have 1 set of coaches in each division. Commissioners need to contact prospective Coaches and get a firm commitment.
3. Discussed status of Sponsors – We have 5 paid sponsors so far with 5 more committed. Need to get out and round up at least 6 more sponsors.
4. Discussed draft process related to making sure that players are moved to divisions that are more appropriate for their age and skill level. Coaches will be briefed at the next meeting March 4th, which will be a joint Board/Coach meeting.
5. Discussed schedule options that may be needed if we don't have 4 teams in a division. Also, Board was updated that CARD is unable to guarantee the use of another field at this time.
6. Discussed buying & selling League Merchandise and/or Sponsor Items. Board approved purchase of a minimum amount of League logo stickers for sale and approved extending the option of selling sponsor items in the League's On-Line Store.
7. Discussed current status of Camp Fire donated funds. We currently have 12 players that have signed up and the League has waived their registrations fees.
8. Old Business – Board updated that batting mat has been received and that the Sycamore scoreboard has been fixed. Also approved purchase of a new home plate mat because current mats are getting old and are not NCSSA approved in dimensions. Also, CARD to seek approval from Bidwell Parks Commission for placement of Port Potty for League used.
