Evan,

Look, I am going to be out of town during the time you picked for the meeting without ever asking me anything. But since you seem to want to run things why don't you and Al our Vice President run the managers meeting and give them what you have for player sign ups so they can familiarize themselves with the ones who they can't put a name too. Sound good?

Evan,

The problem started when you decided for some unknown reason not to return a phone call. Communication is the key to success. How bout lets talk about this you and me. OK.

Evan,

Come on man. Are you kidding me? You are getting the players and putting them on our website. What is wrong with you. Are you a board member or not. You have responsibilities and you won't do them for me. What is your problem here? I don't get it.

Now I am depending on you to furnish the lists as you should. Thank you.

Tim,

While in the past I have done those type of tasks you mentioned, I am unaware of that expectation of me for 2022. The last communication I have on this subject is your Jan 28th email, attached as a pdf, regarding the Manager's Meeting/Draft, in which you stated, " I will also be enlisting a group of people to help me with that meeting and the draft ". I read that as you are doing it.

**Subject:** Players lists for upcoming Managers Meeting and Draft night

Mr. Wagner,

It is my understanding that you are supposed to put together the list of players signed up right up to the managers meeting, and then again at the Draft night. I have not heard a word from you on this. Could you please respond and let me know how you are going to do this.
